Fall Semester Opens With Many Frustrations

Are you certain you're supposed to be here?

But, the computer is always right?

It seems like registration never runs smoothly. The first days were troubled with I.D. pictures, the computer . . . even Hurricane Betsy dropped in to add to the chaos.

A Sigma Nu smoker, where the actives and rushees really get to know each other.

A profusion of prospective pledges made the annual scene of fraternity rush one of anxiety, confusion, and exhaustion. For the actives it was the usual parties, handshakes and smiles—but for the rushees this was a time of anticipation and significance. To some, fraternity life was the answer. To others, it wasn't.

Phi Kappa Thetas relax a bit during a hectic but exciting rush week.

Kappa Sigmas talk over activities for the forthcoming year.

Rushees receive a warm welcome from Lambda Chi Alphas.

Sororities Get Head Start

Sorority rush is a whirlwind week of fun-filled excitement and anticipation. Sorority actives and rushees all meet to decide which sorority and which girl will be merged into one. The skits and parties previously worked on at sorority workshop are evidence of the spirit and enthusiasm which surrounds sorority life.

The rushees are whisked through the rush activities and the first real breather they get is one of decision—which preference card will they sign? Bid Day is the finale, ending a week of eagerness, impressions and nervous expectations. The results of this time will decide different directions for each rushee. But no matter what the results, the rushees will remember, with the same warmth and thrill, this first taste of college.

Tri Delta rushees show interest and anticipation in the forthcoming sorority activities.

Student enthusiasm, coupled with a winning team, gave the USL campus a spirit of unequalled excitement and anticipation for the sports season to come. Sororities and fraternities bucking for the school spirit award, freshmen enrollment hitting new heights, plus the weekly Friday noon pep rallies in the stu added to the ardent feeling of a winning season. We certainly weren't to be disappointed, for our Battling Bulldogs took the number one position in the Gulf States Conference and, above all, were victorious over arch rival McNeese.

Spirit of USL students reaches its peak following a season of victory after victory.

Our hoarse but enthusiastic cheerleaders deserve the credit for much of the noise and spirit of our pep rallies.

The "Supreme" Show

Students wanted big name entertainment and that's what they got. Headlining the first show were the "Supremes," the "Lovin Spoonful" and Earl Van Dyke's Band.

Students packed the coliseum. Some had waited in line for the doors to open at 6:00 o'clock to assure themselves of a good seat. Others came later. All of them enjoyed the show.

Homecoming 1965 was opened with the annual AFROTC Homecoming parade. After raining all day, the weather finally cleared up about 4:30, a half hour before the parade was to take to the streets. Homecoming Highlights

Annual alumni business meeting

Rear Admiral V. G. Lambert, USN, addresses the people attending the Blue Key banquet.

Homecoming to the student body was a bonfire, football, and coats and ties. White mums with a dark red "S" in the center were almost as popular as IBM confetti.

To the alumni, Homecoming was meetings, banquets, familiar faces, and a familiar but ever-changing campus.

To the football team, Homecoming was a climax to many hours of practice in McNaspy stadium.

But best of all, Homecoming was a victory.

Pumpkin Time

Halloween again this year meant a hootenany on campus, complete with professional and student singing groups. The atmosphere was very informal with students sitting on the floor, as well as in the stands. Some students sang along; others just listened. All in all, it was a very enjoyable evening.

The Band Played On

Miss University was presented to the student body at the annual Miss University Christmas Dance. The winner this year was Susan Hidalgo, a vivacious red-head from Opelousas.

Because the contest was so close this year, the first runner-up was also announced. This honor was won by Pat Wong, a popular co-ed from New Orleans.

A Baton Rouge group, The Greek Fountains, provided music and entertainment for the dance. Their style was unique; their hair was long; and their pants were Madras.

Election Time

This year all elections on campus seemed to have full political fervor. The feeling of all was reflected in the placards appearing suddenly on campus bulletin boards, and rallies held on campus.

The major campaign of the year was for the student council top four offices, and as usual, it was a fight down to the wire.

Visitors to Campus

Films, lectures, and dedications this year usually meant the visit of some dignitary for each event.

Highlighting the cultural speakers this year was Miss Lesley Frost, daughter of Robert Frost, who spoke on "Education by Poetry".

The only uninvited visitor was a Hurricane named Betsy who dropped in rather unexpectedly during fall registration.

Theatrical Productions

Alpha Psi Omega's Southwestern Players presented many plays this year for the enjoyment of USL students and faculty. A highlight of the year was the world premier production of GNISTA, written by Harold W. Poe, associate director of Theater at USL. Other plays presented were PULLMAN CAR, HIAWATHA, CHARLIE'S AUNT, U.S.A., THE MAD WOMAN OF CHAILLOT, DEATH TAKES A HOLIDAY, and THE SECOND SHEPERD'S PLAY.

Campus attire is as varied around U.S.L. as the people that wear it. Outfits range from Madras parkas to Overalls; dirty Tennis shoes to Cowboy Boots; textured stockings to Bobbie socks; and from knee ticklers to grannie dresses. College students have always been considered very fashion conscious, and U.S.L. is no exception.

SHOWBOAT

U.S.L.'s Opera Guild presented three musicals for the enjoyment of students as well as Lafayette residents. Last spring brought one of the most popular recent musicals to the auditorium—"West Side Story." The Summer semester was highlighted by that all time favorite "Showboat." "La Traviata," in the Fall semester, brought a bit more culture into our lives. All three musical endeavors proved very entertaining and successful.

Campus Additions

The campus has been alive throughout the year not only with student campus activities but also with additions to the physical plant. Expansion of the Dupré Library and completion of the ultra-modern Angelle Hall, the music building, were underway; and an interim permit for the facilities of the naval base at New Iberia was granted. To keep up with the developing sciences, a new Medical Sciences building is also on the approved list and ready for construction.

Dorm life can be as pleasant or as hectic as the student wants it to be. To those who make the best of it, dorms become true homes away from home. Student Government

Council members have functioned in all areas of campus activity by serving as the basic unit of student self-government, as the voice of the student body, and as the medium between students and the faculty and administration.

Achievements of our council included the seven university dances during the summer semester, the initiation of the tutoring program, the student corps re-organization, help in organizing the University Bookstore Scholarship, and drawing up the Viet Nam resolution.

Hard work, intelligence and leadership characterize the student council members, who represent the students in the various colleges as well as the student body as a whole.

Miss University

Beauties and Personalities

Miss Susan Hidalgo

Susan Hidalgo, a blue-eyed redheaded senior from Opelousas, was elected "Miss University" of 1966 over a field of 64 candidates. All she could say was, "I can't believe it's true!" This honor topped a climactic week for Susan, who had been elected Military Queen by ROTC only four days prior to the Christmas dance. No stranger to accolades, she was Miss Opelousas in 1963, third runner-up to the Queen of the Louisiana Yambilee Festival, and a *Vermilion* Darling. She was nominated by *The Vermilion* and Industrial Arts Fraternity for the "Miss University" contest.

1965 Miss University, Phyllis St. Germain, congratulates the new Miss University.

Miss Patricia Wong

First Runner-Up

One of the cutest student nurses around campus is first runner-up Pat Wong. She was president of the Student Council's College of Nursing, and is now president of the State Student Nurses' Association. This talented young miss has participated in many campus song fests and needs no urging to play her guitar. A bevy of honors has been bestowed on this petite beauty, among which includes being a member of the Southwestern Relays Court, "L'Acadien" favorite, and recipient of a Navy Nurse's Scholarship. Harris Dorm and Dormitory "B" are proud to claim her as their nominee.

Miss Marcelle Bienvenu

Miss University Finalist

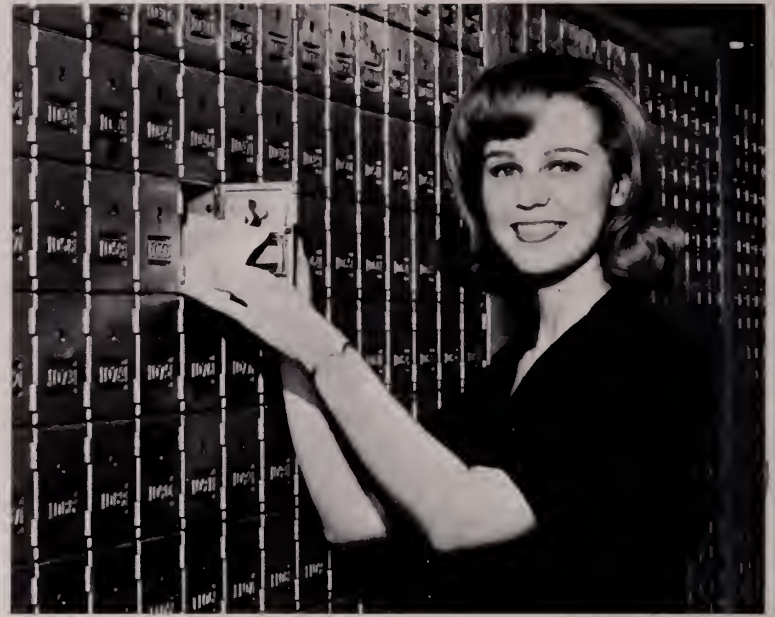

An active member of the Student Council, Marcelle Bienvenu serves as a representative of the College of Liberal Arts. She was nominated by her sorority, Kappa Delta, of which she is membership chairman and parliamentarian. This active young lady is also a member of Pi Lambda Beta, Newman Apostolate, and Student Corps. Marcelle's hobby is collecting souvenir coffee spoons.

Miss Christine Bordelon

Miss University Finalist

Psychology is the main interest of this "Miss University" finalist. Christine Bordelon, a sophomore from Opelousas, enjoys tennis, sketching, and fishing. She is a member of the Dormitory Women's Council, Psychology Club, Newman Apostolate, and vice-president of her Angel Flight pledge class. Christine was nominated by the Psychology Club.

Miss Julie Haack

Miss University Finalist

An actress at heart, this lovely co-ed can be seen in many campus productions. Majoring in Speech Education, Julie Haack belongs to Alpha Psi Omega, of which, she is secretary-treasurer and Delta Delta Delta sorority. Both of these organizations chose her as their nominee. Julie enjoys all types of water sports and somehow finds time for painting and music. She was chosen as one of the Phi Kappa Theta Calendar Girls, *Vermilion* Darling, and *L'Acadien* Beauty.

Miss Dianne Herrington

Miss University Finalist

Dianne Herrington, a junior majoring in special education, was nominated by the Association for Computing Machinery. She is pledge director of Phi Mu sorority, a member of the Panhellenic Conference, A.W.S. judiciary board, and Angel Flight. This coed has just recently been chosen Area C-2 "Little Colonel." When she can find time, Dianne enjoys sketching, painting, and sewing.

Miss Mary Hymel

Miss University Finalist

This enchanting, petite young miss is sweetheart of Alpha Phi Omega, service fraternity, and Miss January for the Phi Kappa Theta calendar. Mary Hymel, a sophomore in nursing, is a member of the Newman Apostolate, Southwestern Association of Student Nurses, and Alpha Omicron Pi sorority. Nominated by Randolph dorm and A Phi O, Mary enjoys dancing, sewing, and water sports.

Miss Betty Monteleone

Miss University Finalist

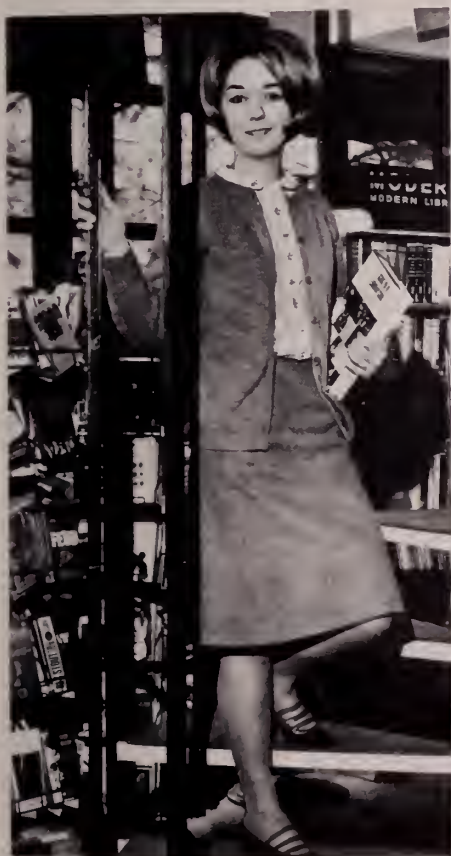

Southwestern Sweethearts, Bonin Hall, and Caffery Hall nominated this beauty as their choice. Betty Monteleone is a sophomore majoring in Upper Elementary Education. She is a member of Alpha Omicron Pi sorority, Associated Women Students' Board, Southwestern Sweethearts, and overall president of Bonin Hall. This fascinating co-ed enjoys music and dancing and collects coins and stamps.

Miss Carolyn Morgan

Miss University Finalist

Hailing from New Orleans, Louisiana, this brown-eyed blond beauty is a senior majoring in Secretarial Science. Carolyn Morgan, nominated by Agnes Edwards House, is a member of the Newman Apostolate, the National Collegiate Association for Secretaries, and is active in her social sorority, Sigma Sigma Sigma. When not busy with these activities, she enjoys sailing and swimming.

Miss Stella Rose Mouton

Miss University Finalist

Secretary of the USL Student Council, Stella Rose Mouton, still finds time to belong to the Student Louisiana Teachers' Association, Newman Apostolate, and Kappa Delta sorority, of which she is rush chairman. She has been elected outstanding junior by her sorority, Phi Kappa Theta's Calendar Girl, and queen of the 1965 Homecoming court. This beauty, nominated by the "S" Club, when able to find time in her busy schedule, likes to play the piano and do some sewing.

Miss Lynn Osborne

Miss University Finalist

This reigning beauty is no stranger to USL students. Lynn Osborne has been the Engineering Queen, Southwestern Relays Queen, in the Kappa Alpha Rose Court, and *L'Acadien* Beauty and Favorite. She is past president of Phi Mu sorority, a member of the Newman Apostolate, Kappa Delta Pi, Lambda Omega, and Student Louisiana Teachers' Association. Nominated by Huger Dorm, Dormitory "C" and Phi Mu sorority, Lynn lists dancing, reading, and sewing as her favorite hobbies.

Miss Judy Searcy

Miss University Finalist

Vivacious and fun loving—yet a student-in-earnest—Judy Searcy was elected as one of the outstanding freshmen women last year. She is a Commercial Art major from Monroe, Louisiana, and was nominated by Sigma Pi Sigma. Secretary of Alpha Lambda Delta, honorary sorority, and a Delta Delta Delta pledge, Judy still finds time for her somewhat unique hobby of designing her own greeting cards.

Miss University Contest

As a freshman, each woman is theoretically presented with a clean canvas. As she progresses through her four years of school, she proceeds to paint a picture. It is to the woman who has applied her brush to the fullest that the title of "Miss University" is awarded. This is one of the most coveted awards, because the student body

serves as judge. The nominees from each of the campus organizations are voted on for beauty, personality and achievement. "Miss University" is the one receiving the majority of votes. The winners are announced at the annual Christmas Dance.

A USL co-ed makes her choice.

Beauty, personality, and what?

Competition is keen for the "Miss University" title.

Publications and Communications

KRVS—on the air?

A deadline to meet.

Yearbook distribution

Publications and communications play a vital part in each student's life. On campus we keep up to date with school activities by listening to KRVS and reading the *Vermilion*. Other publications are *Exile* and the *Acadiana Engineer*. The end of the spring semester brings the *L'Acadien* with its pictorial account of the activities of the year.

A deadline met!

Co-Editor

Jeanne Benoit, Bob Bennett, Becky Hamner—Student Life Editors

Sandra Nuckolls, Kathy Hancock, Marybeth Williams—Staff Assistants

With a new staff, plans for a new edition, new editors, and the determination to produce a superb yearbook, this year's staff set out to produce USL's best yearbook yet. Many hours of work by many people are represented in this 1966 edition of the *L'Acadien*.

Faced by the challenge to meet the high standards achieved by the 1965 *L'Acadien*, the editors sought to add to the pictorial coverage several practical advances. Hundreds of hours of work went into cataloging the over 8,500 names listed in the student and faculty index. The size of the yearbook was increased 32 pages in order to more adequately portray the activities of our expanding University. More full color pages were added.

The newly appointed staff started planning the 1966 *L'Acadien* in April, 1965. Photography, copywriting, and layout work, hastened, slowed, and then hastened again as the staff met four deadlines throughout the year. In December the staff took a welcome break from these chores to sponsor the Miss University contest.

This finished book represents a part of the total aim of the University. The result being a memorable book, which not only depicts the past, but looks hopefully to the future of the University of Southwestern Louisiana.

The Vermilion

The Vermilion is published each Friday by and for the students of USL. It is a member of the Associated Collegiate Press and the Intra-Collegiate News Service, and is represented for National Advertising by National Advertising Service, Incorporated.

Aside from news of interest to the campus community, *The Vermilion* each week picks a coed as Vermilion Darling of the Week, and this year picked a Player of the Week during football season. During the second semester one of the most well-read features was the weekly Vermilion interview of some important or controversial person on campus.

KRVS

"You are listening to the 88.3 voice on your radio dial. KRVS, the radio voice of the University of Southwestern Louisiana."

This station break is a familiar one to the students of USL and to the general public of the Acadiana area. KRVS is a student owned and operated AM and FM radio station, which is, in essence, a training center for students who are interested in radio as a profession.

Since its opening in May, 1963, KRVS has served the student body and the general public. KRVS broadcasts an effective FM signal to the Acadiana area and is heard on campus both on FM and at 600 KC on the AM dial.

This past Fall semester, KRVS saw a new addition in equipment. The station was able to broadcast live and direct local sports events and other activities of interest. Along with the new portable remote transmitter, KRVS enlarged its news, sports, and special events departments.

KRVS—another great medium of communication for a great university.

Acadiana Engineer

First published in 1960, the *Acadiana Engineer* has been published on a monthly basis. It is a newspaper published by and for the engineering students at Southwestern. The aims of the *Acadiana Engineer* are to link the individual departments of the College of Engineering by publishing the happenings in each department and to bring the college closer to the campus by giving the engineer's viewpoint on campus life and activities. These aims encompass the basic idea of teaching and provide the engineering student at USL with a way to express himself through printed words both technically and informally.

Exile

Exile is published annually during the spring semester, by Sigma Tau Delta, English Honorary Society. The only purely literary magazine on the USL campus, *Exile* contains poetry, short stories, plays and essays submitted by students of all colleges. *Exile* is financed, edited and published by members of Sigma Tau Delta, and is distributed free of charge to the faculty and students of the University of Southwestern Louisiana.

The Greek Way of Life

Admittedly, college students are concerned about becoming independent and self-sufficient; but, paradoxically, they also feel a strong need to belong to someone or something. Their attempts to satisfy this need can take many forms—developing a special group of friends, becoming immersed in organizations, or pledging a social fraternity or sorority.

Those who choose Greek organizations discover that “belonging” means living in fraternity houses, working together on floats and decorations, planning teas and dances and performing community and school service projects. Through these activities, the Greek organizations develop a real sense of belonging to something that transcends the college campus and includes men or women across the nation.

Greeks strive to develop in each member a recognition of responsibility and the necessity of communicating well with others. The many jam sessions and other social functions now held provide not only fun and enjoyment but also a chance to develop socially.

The Greek system has become a way of life on the USL campus and is likely to grow stronger in the following years.

Panhellenic, meaning "all-Greek," reflects the main purpose of the Panhellenic Conference of USL, which is to unite the eight campus sororities into one organization.

Each sorority has two senior Panhellenic members and two junior Panhellenic members, who meet bi-weekly.

Panhellenic strives to co-operate with university authorities in their efforts to maintain high cultural, educational, and social standards for sorority women.

Panhellenic will ever continue to strive for the feeling of sisterhood at the University of Southwestern Louisiana.

"Happy Birthday" to Senior Panhellenic President, Patty Rivet.

Alpha Omicron Pi sorority is an organization possessing enthusiasm and spirit without comparison. Activities of this year include a Spaghetti Supper ... a St. Martinville house-party ... surprise breakfast for pledges ... Mother-Daughter Tea ... a barbecue ... a Founders' Day Banquet ... presentation of the 1965 Agnes Edwards Scholarship Award ... and a pledge Christmas party.

Each of the sisters of the sorority contribute to the goals and aims of A O Pi. These goals have been reached and surpassed.

This year, ASA celebrated its 25th anniversary on the U.S.L. campus. The banquet at Jacobs, honoring the charter members, began a busy and exciting year for the sorority. Founders' Day Weekend ... Homecoming ... a Halloween party ... Thanksgiving party ... and a Christmas party rounded out the social events.

Projects such as saving commemorative stamps for the missions, as well as magazines for doctors' offices and local hospitals, were among their civic activities. Also, each year, members sponsor the Hula Hop to raise funds for retarded children and the National Philanthropic Fund.

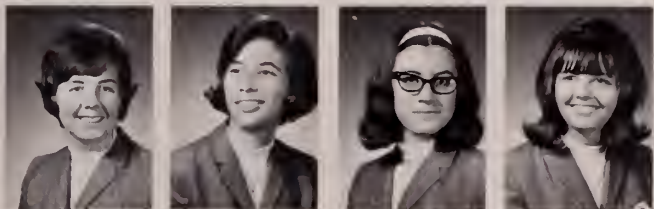

An asset of immeasurable importance—ASA is a credit to its members.

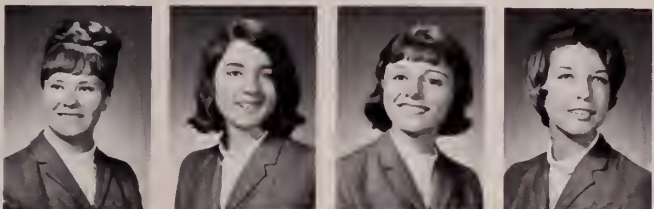

Rushes are treated to ASA's production of "Alice in ASA Land."

Tri Deltas express the spirit of sisterhood in every phase of their activities. Traditions from years gone by are the Founders' Day Banquet . . . the Pine Party at Christmas . . . Pansy Breakfast, honoring graduating seniors. . . Sadie Hawkins, an annual dance for the Sudie Carroll Scholarship . . . and the initiation formal in the spring.

Their projects include a car wash to aid Sigma Tau Delta, the Hemophilia Fund Drive, and a Bridge Party for benefit of U.S.L.'s Speech Department. Tri Delta is represented in nearly all phases of activity on campus—participants in local festivals and the home and trade show . . . *Vermilion Darlings* . . . Delta Zetas have expressed their meaning of sisterhood beyond the usual definition of a sorority. With great ardor and eagerness, Delta Zeta sorority began this year's activities with Big-Little Sister Week ... followed by a house party ... Lamplighting Week ... standards meeting ... a Christmas party for the pledges, caroling, and donations to the needy.

The new year brought in the installations of new officers, Initiation, a Flapper Dance to obtain funds to bring to the Carville hospital, the Easter Seal Drive, and the Delta Zeta formal in April.

Delta Zeta, with its lamp, lights the way for its members toward present achievements on campus and further achievements in life.

Skits with themes ranging from the "Parisian Party" to a "Flapper Party" comprise the entertainment for the invitationals during rush.

"God help the lazy, the incompetent, and those in charge," is the prayer of the Delta Zeta officers. Officers are, *from left*: Babs Bernard, president; Judy Faye McCauley, treasurer; Nancy Bernard, pledge trainer; Nina Suru, corresponding secretary; Sharon Lee, recording secretary, and Jo Boudreaux, rush chairman.

Kappa Delta began the fall semester by moving into their "new room." Activities began at once with the KD jamboree . . . Founders' Day . . . and the Thanksgiving Party. At Yule time—the Christmas Party . . . house-party . . . and informal get-togethers brought on the festivities. The White Rose Formal in the spring brought the social events of the year to a close.

Kappa Delta is represented in every facet of campus life . . . 1965 Homecoming Queen, Kappa Sigma Sweetheart, and Outstanding Sophomore Woman Student. KD's are prominent in Sigma Tau Delta, Angel Flight, Alpha Lambda Delta, Vermilion Honor Society, and Gamma Beta Phi. This year the KD's won the coveted school spirit trophy—among other awards.

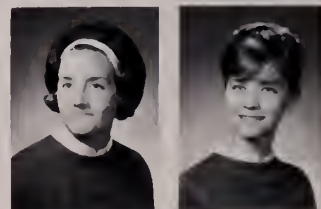

Kappa Delta has definitely benefited U. S. L. by its eagerness to exceed the average.

Tri Sigma initiates a year of accomplishment with a successful rush. A "Big Sister—Little Sister Week", followed by a skating party and a luncheon, really brought the new pledges into sorority life. Service projects included Thanksgiving baskets to children's wards of local hospitals, and the Robbie Page Memorial Fund. A Christmas dance and "College Bowl" quiz contest finished out the year.

Plans in the new year were the Parent-Daughter Tea, Initiation, an Initiation Dance, Founders' Day Banquet, and the Senior Send-On for graduating Tri-Sigs. Tri-Sigma honors include Commerce Queen, finalist in the Miss University contest, member of Who's Who, president of the Vermilion Honor Society and maid in the Military Ball.

The energy and enthusiasm for sorority life show no bounds for the Tri Sigs.

Interfraternity Promotes Brotherhood

The Interfraternity Council is the guiding force of the University's eight fraternities. Composed of two delegates from each of the social fraternities on campus, the Council meets regularly to discuss and rule upon the problems encountered by Greek men.

A function of the IFC includes the drawing up of fall rules and policies which pertain to the member fraternities. Rush Week, including its rules and regulations, is a responsibility which the IFC assumes. The interest of

the IFC carries over into the pledge-training program. A great emphasis is placed on pledge training since these men determine the future of every fraternity.

Special attention is given by the IFC at USL to promotion of public relations—of improving the fraternity picture in the eyes of the school and community. To achieve this, IFC urges all fraternities to undertake community and school projects.

Lambda Chi places an emphasis on positive contribution to all aspects of student endeavor. This aim is exemplified by their largest civic project—the fifth annual Charity Bowl contributing \$3,000 to St. Mary's Orphanage, coupled also with a 13-0 victory. Some highlights of 1965 were in scholarship, the IFC songfest, representation on all IFC teams in all sports, and collections for Cerebral Palsy.

A number of members of Lambda Chi are notable on campus as shown by membership in Circle K, Blue Key, Who's Who, Phi Kappa Phi, president of Student Corps, president of Arnold Air Society, president of Association of Computing Machinery, and officers in various engineering societies.

Phi Alpha, U.S.L.'s newest fraternity, has made its place on campus in a big way. In working towards a national charter, Phi Alpha has served the community with philanthropic projects, provided a packed social calendar, and promoted Brotherhood—resulting in a very active and rewarding year.

Phi Alpha activities included a successful car bash with proceeds to the Hurricane Betsy Fund . . . the Christmas party . . . the Lions' Mile of Dimes . . . the immortal Oblivion Ball . . . the Orphans' Big Brother Day . . . and the Spring Formal. The fraternity is represented in various campus organizations including the Student Council, Who's Who, and varsity athletics.

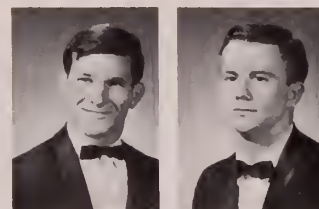

Phi Alpha has begun a fine tradition on which to build in the future.

As the oldest national fraternity on campus, it surely needs no mention of its numerous accomplishments for the benefit of U.S.L. Activities of the year are: Senior Weekend . . . sponsoring a campus calendar . . . Philanthropic work, such as the annual Easter Seal Drive and Toys for Tots.

Among PKT social events are the Wood-chopper's Ball and the annual Spring Formal. Positions in various campus organizations and honors gained by members of the fraternity include Who's Who, Circle K, Student Council, and various honorary organizations.

PKT deepens our respect of fraternal organizations on campus.

Theta Xi is well aware of the possibilities a fraternity has to offer to a campus as well as to an individual. They demonstrated much drive and enthusiasm in both their campus and community activities.

Such functions include the Theta Xi Christmas dance ... charity work including the American Red Cross ... drives for the United Givers' Fund ... National Holy Day ... and their spring Toga party.

Through participation, Theta Xi holds its place on campus.

Mary Hymel and Lambda Chi Alpha Take Top Honors During Greek Week

Recognizing the Greek system as having a value to those participating in it, the Interfraternity Council and the Panhellenic Council set out to improve Greek Week activities and incorporate new features and activities.

Throughout the week, fraternities participated in games such as the tug-of-war, pillow fights on a log, arm wrestling, canoe races, bicycle races, egg throwing contests, sack races, and the three-legged race. Lambda Chi Alpha was overall team winner after all team points had been calculated.

Sororities participated in less strenuous contests such as tricycle races, human obstacle races, leap frog, sack races, the three-legged race, and the egg throwing contest. Sigma Sigma Sigma sorority was winner of the girls' field day.

The annual Greek Ball ended the week with presentation of awards and crowning of the Greek Goddess, Mary Hymel.

Organizations

Field Trip Highlights Year for Accounting Forum

Students interested in the field of accounting are annually invited to join the Accounting Forum. This organization was formed as a means of promoting accounting and contributing to the development of young accountants. It promoted fellowship and co-operation among accounting students while providing services and while helping to develop an ac-

counting attitude among the students.

Each fall a day is dedicated to the purpose of promoting accounting with activities involving students, faculty members, and well-known individuals in the field of accounting. A field trip to accounting firms is the highlight of the spring semester.

Recognition as a chapter of the Student Affiliates of the American Chemical Society came in May, 1957. Any student of USL majoring in chemistry or chemical engineering is eligible for membership. Films and speakers provide information and entertainment during the monthly meetings.

Major projects include the sale of Chemical Rubber Company *Handbooks of Chemistry and Physics*, a chemistry demonstration during the I.A. & O.A. Literary Rally, and a field trip to some center of chemical research.

Aerospace Industry Attracts AIAA Members

Established at USL in 1958, the American Institute of Aeronautics and Astronautics provides students with the opportunity to become acquainted with the personnel and activities of the Institute of Aeronautical Sciences. It encourages the professional consciousness and fellowship of this vocation to put into practice and advancement the theory and the practices of the aero-space sciences.

Home Economics Chapter Promotes Profession

1925 marked the beginning of the USL Home Economics Chapter. The organization welcomes the membership of any individual in the school of Home Economics. Chapter activities begin with the Louisiana Home Economics Association college chapters fall planning workshop. At this time, statewide efforts commence to insure the success of the annual state convention held in the spring.

Regular meetings this year featured guest speakers and demonstrations on catering, modeling, special education, holiday home decorations, and nutrition overseas. Highlights of the year include socials as the freshman greeting, the Christmas reception and style show, and the senior farewell.

A silver tray is awarded to the outstanding graduating senior in the department at the end of each school year.

Home Economics girls begin "Aggie Day" with breakfast in the cafeteria.

Interest in Horticulture Club Blooms

Initiated under the direction of the late Professor Ira S. Nelson, the USL Horticulture Club was established to stimulate interest in horticulture work among college students, to foster a spirit of mutual helpfulness, and to correlate activities in horticulture with those in

closely related fields. Activities during this year included the Homecoming corsage sale, an educational exhibit for Aggie Day, the preparation of a National Flower Judging Team, and attendance at the Southern Regional ASHS meetings in Jackson, Mississippi.

MSGA Governs Male Students

Men's Student Government Association is a government of, by, and for the men students of USL. Elected officers of MSGA are the president, vice president, secretary, and treasurer. The MSGA Board is composed of the president of each men's dormitory and a representative from each floor of each men's dormitory.

The purposes of MSGA are to promote spirit and unity among the

men of the University, to provide more leadership opportunities for men students, to create more interest in all phases of USL student government, and to promote the general welfare of all men students. These aims and goals are pursued with one unified intention—that of building a better USL.

Orchestra Serves as Training Vehicle

Staffed by students, faculty members, and townspeople, the University Concert Orchestra serves as a community as well as a university organization. Placement in the orchestra is by audition, with priority given to music majors, all other factors being equal. The

orchestra serves as a training vehicle in ensemble performance and as a medium for the performance of great works that range from Bach to Stravinsky.

Pi Lambda Beta Promotes Interest in Law

Pi Lambda Beta is an organization designed with the dual purpose of promoting a better understanding of law school and the law profession and fostering a closer relationship among those USL students interested in the study and practice of law. To best accomplish these aims, Pi Lambda Beta offers to its members a well-balance program consisting of bimonthly meetings at which guest attorneys and professors speak on

topics centering about the law profession, law school, or law school preparation. It also sponsors an annual field trip to Tulane Law School. The organization annually sponsors the USL Moot Court Trials. Membership is open to all students interested in attending law school. A 2.0 overall average, attendance at three consecutive meetings, and acceptance by the current membership are requisites for membership.

PI LAMBDA BETA—*First Row:* Kenneth Riche, President (Fall Semester); Ray Murray, President (Spring Semester); Marvin Maurer, Faculty Adviser; Sylvia Demarest, Parliamentarian; Marcelle Bienvenu; Ginette Baillargeon; Gary LaGrange.

Automotive Engineers Society Expands Profession

Here at USL, the student branch of the Society of Automotive Engineers is primarily associated with the Mechanical Engineering Department. Requirements for membership are that the student be majoring in some field of engineering, and that he be in good standing with respect to the University regulations.

The main objective of the SAE Student Branch is to encourage en-

gineering students to associate with technical societies early in the course of their studies. The student Branch is invited to attend the national SAE conferences, whereby, the student members are encouraged to present technical papers pertaining to engineering on an incentive basis.

SOCIETY OF AUTOMOTIVE ENGINEERS—*First Row:* Wayne Moreau, President; William Roberts, Vice President; Douglas Naquin, Secretary; Daniel Yongue; Dr. P. A. Chieri, Faculty Adviser.

Managers Learn by Doing

Officially formed in 1964, the Southwestern Association of Management is a professional student organization made up of student members with a wide variety of business interests and talents. As part of their service activities, a Summer Job Clearing House has been established. Its purpose is to provide members with part-time positions; and to provide a pool from which businessmen can draw experienced workers. SAM also sponsors the Swedish Exchange Program which promotes international goodwill and gives students the opportunity to study in a foreign country.

A lecture, "Aging and Health", of the Sociology Club was accepted for publication in *The Journal of Human Relations*.

The Sociology Club presents a scholarship to the outstanding junior sociology-social welfare student. Qualifications for this award include grade average, personality, and activity in the Club.

Petroleum Engineers Promote Interests

Southwestern Society of Petroleum Engineers is a local professional organization open to Petroleum Engineering, Geology, and other engineering majors who express a definite intention to pursue careers in the petroleum industry. In recent years the S.S.P.E. has received national recognition through members' participation in local and regional technical

paper competitions, through participation in an intense public relations campaign, and though the dual completed, student engineered and operated well—the S.S.P.E.-U.S.L. Number 1—the only one of its kind in existence.

Spanish Club Enhances Interest in Latin America

Reorganized during the 1965-66 scholastic year, the Spanish Club of USL promotes harmony and understanding between North American students and Spanish-speaking students.

Entertainment at programs sponsored by the Club included speakers who talked about the Latin American countries, folk dances,

songs, music.

The Spanish Club tries to encourage the American student to pursue the study of Spanish and to delve beneath the surface of understanding the people and their customs, their culture, their history and their literature.

Future Educators Join SLTA

Student Louisiana Teachers Association provides the means by which students in education may enrich their professional experiences and derive greater benefit from their college courses.

Meetings, held on the second Monday of each month, enable the students in the College of Education to meet one another and to work to-

gether. Some topic of interest is presented by a guest speaker.

Members are invited to attend the annual SLTA convention which is held in the spring. At this time members throughout the state get together to show what projects they have undertaken during the past year and to discuss ways they could improve their organization.

Student Union Board of Directors Begins Work

Created in accordance with the Student Union Assessment Referendum, the Board of Directors consists of nine students and two faculty members; it will eventually include two alumni and three USL union staff members.

The Student Union Board of Directors is the governing body of the USL Student Union, regulating all groups or individuals using the buildings or otherwise coming within the jurisdiction of the Board.

This, the first Student Union Board of Directors, began operation with

the beginning of the Spring semester, devoting themselves primarily to organization of the proposed new student union. Its primary projects this semester have been drafting a constitution regulating the Board of Directors and the student union and seeking out and hiring a Student Union Director, as well as working with the architects in planning the proposed union complex.

Wrestling Club Provides Actual Experience

USL's Wrestling Club had its origin in a wrestling class taught by Dr. Louis Bowers of the Men's Health and Physical Education Department in the Spring of 1964.

The purposes of the club are to provide an opportunity for students to develop skills in wrestling beyond the basic skills taught in physical education classes and to provide a medium through which students may compete in meets and tournaments.

The group is promoting amateur free-style wrestling in the high schools of Southwest Louisiana through clinics and demonstrations.

Canterbury Club

Providing an opportunity for regular worship is the James Morris Chapter of the Canterbury Club. The chapter was established at USL in 1938. Planned weekly programs of the organization consist of films, lectures, parties and discussions. These activities provide stimulation and guidance of intellectual inquiry into the Christian faith, spiritual guidance and advice, opportunity for Christian fellowship and deliberate encouragement of each individual to use his God-given talents.

Air Force Reserve Officers Training Corps (AFROTC) provides the majority of the commissioned officers for the United States Air Force; therefore, its purpose on this campus is to provide a means of obtaining an Air Force Commission while obtaining a college degree.

The aerospace program at USL has shown a continual improvement over the past three years. Much of this success is due to the dedicated work of Lt. Col. Glenn E. Dill, Jr., who has been Professor of Aerospace Studies. These improvements have helped USL Air Force ROTC become one of the best in the nation. Enrollment this year was nearly 900, the largest ever in peace time effort.

Athletic Life

Coach-of-the-Year
Russ Faulkinberry

Football

The Making of GSC Champions

Football has been an integral part of the student's career at the University. For some, participation in a varsity sport has been a challenging, exhausting—but rewarding—supplement to college life. For most, the opportunity to attend games and cheer for the Bulldogs has been a chance for a few hours of relaxation.

Because of the fine coaching of Russ Faulkinbery and his staff and the team's hard work, desire and ability, the athletic stature of the University is a source of pride to be jealously defended, worried over and debated, all over the state. Following the games there were rushes for newspapers by students, alumni and supporters. Anxious hands turned swiftly to the sports pages and eyes critically examined game accounts. The names of Bulldog athletes became household words state-wide.

Russ Faulkinberry, who guided USL to its best football record in 27 years, was named State of Louisiana Coach-of-the-Year, Coach-of-the-Year in District 27 of the National Association of Intercollegiate Athletics and also Gulf States Conference Coach-of-the-Year. Thirteen bulldog gridders made the all-GSC team. Three of them were named to the first offensive and defensive units, plus ten others as second-string all-star performers.

Football has become "big business," as can be attested by the howling hordes that attend all university football games. Success may be measured in seats sold or games won; but however victory is obtained, USL is always a winner.

Raymond Blanco
Assistant Coach

Acting President Clyde Rougeou, Coach Faulkinberry, and the Ragin' Cajuns all agree, "We're No. 1!"

Ragin' Cajuns Smash Louisiana College

Speedy Leonard Kleinpeter (85) dances around defenders for a first down.

A fierce band of Ragin' Cajuns completely routed Louisiana College before a delirious "Bulldog Night" crowd of some 10,000 to the tune of 30-0 in one of the finest opening-game performances ever for a USL team.

Coach Russ Faulkinberry's Cajuns were almost flawless in their opening performance and demoralized Louisiana College with their bruising defensive play and hard-hitting offense.

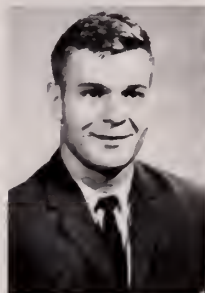

The game was important as it allowed Faulkinberry to substitute liberally and many freshmen and sophomores got their first collegiate test with the score in Southwestern's favor.

The Ragin' Cajun defense caused Louisiana College to fumble seven times and the Bulldogs recovered five of them. They also came up with a blocked punt and a pass interception to cap off a great night.

The heroes for the Cajuns were so many that it was impossible to name them. Quarterback Bill Bayard and halfback Lonny Price each scored twice and Gerald Landry booted a 25-yard field goal in kicking off Southwestern's 48th gridiron year.

To the 10,000 happy fans it was obvious that Southwestern almost owned Louisiana College, as they completely dominated the game.

Southeastern Upsets USL

Weber out-legs Southeastern defenders.

Southeastern's Lions took advantage of the University of Southwestern's mistakes for a 13-0 victory in a bruising Gulf States Conference battle.

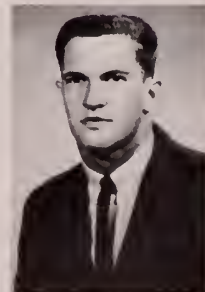

An overflow crowd of nearly 10,000 fans watched the two strong teams stage a bitter defensive battle for almost three quarters before Southeastern capitalized on a USL fumble to turn the tide.

Southwestern quarterbacks Bill Bayard and O'Neal Weber were both erratic, completing six of 15 and four of 14 passes, respectively, for a total of only 66 yards. Both were consistent in overthrowing their receivers.

The USL eleven turned in a brilliant defensive effort throughout the game and was able to move the ball during the second and third periods.

Southeastern had only a one-yard edge in total offense, 155 to 154, but Southwestern had the edge in first downs 12-10. It was in the fumble department that USL came out on the short end, losing the ball three times.

Close to 1,000 disappointed USL rooters witnessed the Bulldog's first conference loss, and the loss once again of the Cypress Mug, which is actually a turned and polished mahogany mug that goes to the winner of the annual fray.

The Ragin' Cajuns of Southwestern pushed USL's grid-iron fortunes to a new high with a stunning 16-8 upset over Louisiana Tech in an important Gulf States Conference battle.

Southwestern completely out-played Louisiana Tech before a stunned Tech Homecoming crowd of 8,000 persons who had come with the hope of witnessing a performance like that of 1963, when the Bulldogs ripped Southwestern by a 45-0 count. But it wasn't like that—not at all.

Coach Russ Faulkinberry's Cajuns took the fight to Louisiana Tech from the beginning and had the heavily-favored Bulldogs running for cover in the second half.

Edward Pratt, the New Iberia raider, spearheaded a Southwestern defense that picked off three of Bill Laird's aeriels and generally gave Tech's All-GSC performer one of his worst afternoons in his three-year history at Tech.

No one could single out other performers but Lonny Price, Chester Gosnell, O'Neal Weber, Bill Bayard, Gerald Landry, Brad Hamilton, Mike Neustrom and Jim Edney have to be mentioned.

The victory pushed the Cajuns back into the thick of the battle for the GSC crown as the Bulldogs now had a 1-1 league mark, with three remaining loop battles left to play.

Tampa Edges USL, 7-6, in Defensive Battle

All aboard for Tampa

The University of Tampa edged the Southwestern Louisiana Bulldogs, 7-6, in a bruising football battle.

In a defensive contest marked by scores in the first ten minutes only, the kicking of Tampa's Kevin Hurt was the deciding factor. Hurt, who kicked Tampa's extra point and maintained a 46.3 yard average with nine punts, kept the Bulldogs in poor field position all night.

The defeat was a tough one for the Southwesterners, for they actually turned in a fine overall performance.

Quarterback Bill Bayard had his best night thus far, as he totaled 162 yards rushing in 21 carries.

Southwestern scored on the opening play from scrimmage, when quarterback Weber passed 80 yards to end Leonard Kleinpeter. Gerald Landry, a New Orleans product, attempted the extra point, but it was wide and to the right.

Desperate attempts were made throughout the game by both teams, but still no score. USL's final desperate attempt to score came with two and a half minutes left in the game, when Hurt kicked to the Southwestern 10-yard line, where Bayard was forced to call for a fair catch. USL was penalized to the five for holding. Then Weber was thrown for a four-yard loss, to the one, attempting to pass. Three plays later, from the one-yard line, the Bulldogs faked a punt, but Tommy Guidry reached only the five-yard-line.

Two desperate plays to get the touchdown failed for Tampa, and they settled for the 7-6 victory.

Anticipation mounts as Ragin' Cajuns prepare to leave for Tampa.

O'Neal Weber rifled a 21-yard pass to end, Guy Harvey, to give Southwestern a 7-0 triumph over Howard College.

The deciding touchdown was set up, when one of the Southwestern's "head-hunters", Tody Dupont, came up with his third interception of the game, and returned it to the Howard 21.

The victory was the third in five starts for Russ Faulkinberry's Cajuns and marked the third consecutive week they have played before an opponent's Homecoming crowd. The crowd numbered some 4,000.

Southwestern appeared sluggish throughout most of the game but the Bulldogs got brilliant kicking from Chester Gosnell. The "head-hunting" trio of Dupont, Dwight Sevin and Ed Pratt intercepted four passes, and linebacker, Phil Dabbs, added a fifth.

Gosnell punted nine times for a brilliant 44-yard average, the longest, a booming 54-yarder, that carried to the Howard one. Gosnell booted a 41-yard kick that rolled out on the Howard one-foot line and helped set up Southwestern's score.

It was a particularly pleasing victory for USL's defensive coach Ray Blanco and Dabbs. Blanco is a native of Birmingham and Dabbs is from nearby Bessemer, Alabama.

Except for a fumble recovery on the Bulldog 25, early in the second half, Southwestern allowed Howard to penetrate only to the USL 46.

Passing Attack Buries Tech Cardinals

The Ragin' Cajuns struck for two lightning-quick scores in the first half and stunned nationally-rated Lamar Tech, 20-6.

A fired-up crowd of some 13,000 was stunned by the brilliant offensive and defensive efforts of the crippled Bulldogs.

Freshman halfback George Gros and the passing combination of O'Neal Weber and Leonard Kleinpeter sparked the offensive efforts and Brad Hamilton, Dwight Sevin, Al Toups and Ed Pratt spearheaded a brutal USL defense.

Gros led the Bulldog rushers with 15 carries for 82 yards and Bayard picked up 52 yards in 24 tries. Weber completed four of six passes for 135 yards and two touchdowns and Kleinpeter hauled in a total of three passes for 106 yards.

Hamilton sparked the defensive unit with nine tackles; Sevin and Toups had eight; Pratt, seven, Jim Brennan, six; and Herbie LeBlanc and Jim Edney each had five.

In the Sunday edition of the "Beaumont Enterprise," dated October 31, 1965, Harold Beeson, sports writer, stated: "Not since Pancho Villa's raid on Columbus, New Mexico, has there been a border-crossing like the one staged in Cardinal Stadium by USL Saturday night."

Fourth-Quarter Touchdown Gives USL 14-10 Triumph

Southwestern's courageous Bulldogs got off the floor in the fourth period with a 69-yard drive and some bruising defensive play to belt the Northeast Indians 14-10 and remain in the running for the Gulf States Conference championship.

The Bulldogs thrilled a Dad's and High School Band Night crowd of some 11,000 with their stirring comeback and the partisan faithful responded, as their Cajuns moved to the victory.

Coach Russ Faulkinberry's Cajuns found themselves on the short end of a 10-7 score with 10:17 left in the game, but came charging back to march 69 yards in only eight plays for the go-ahead score.

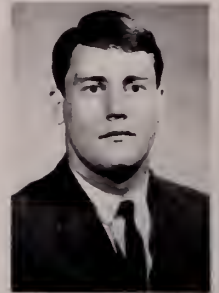

But with 4:45 remaining, Lonny Price fumbled the football at the Southwestern 25 and Charles Rohner fell on the football to give Northeast a final crack at pulling off the big upset.

The Bulldogs weren't about to give up their shot at the Gulf States Conference championship, and after Northeast tried four plays, they had gained only to the Bulldogs' 23. The Indians got the ball once more—this time at their own 33, but they had to give it up four plays later, and the Cajuns ran out the clock.

The victory increased Southwestern's GSC record to 2-1 and boosted their title chances.

Northeast won the battle of the statistics as the Indians piled up a total offense of 238 yards to 186 for the Cajuns. The Tribe had 121 rushing and 117 passing, as they attempted 26 passes and hit nine. But the Cajuns picked off two Northeast aerials to run their season total to 17.

Bulldogs Slaughter Demons by 41-7

Stella Rose Mouton, Homecoming Queen, addresses the Homecoming crowd.

Southwestern's swaggering Bulldogs earned their shot at the Gulf States Conference championship by crushing Northwestern State 41-7 before an overflow crowd estimated at 14,000 in McNaspy Stadium.

The Bulldogs came to play and Northwestern mistakes fired the Ragin' Cajuns higher and higher, and in the second half the Bulldogs ripped the game wide open, much to the delight of the Homecoming crowd.

The chant arose "We're No. 1" as Coach Faulkinberry's Cajuns sent the score mounting up.

It was the brutal Southwestern defense that rose to the occasion, and it seemed that everything that the Cajuns did in the second half turned into a touchdown. The Cajuns limited the Northwestern potent offense to only 193 yards total offense and 180 of that had to come through the air.

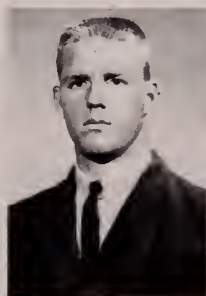

Quarterback O'Neal Weber scored two touchdowns and passed for two more, as he led the Southwestern offense. Weber hit Kent Finley in the second quarter for 16 yards and in the fourth period teamed with speedster Leonard Kleinpeter for a 76-yard pass-and-run play. Weber threw only three passes, but he hit two of them for touchdowns and piled up 92 yards passing.

By beating the Demons, USL's Bulldogs retained the Blue Key Cup. The USL-Northwestern feud is one of the oldest and hottest in the entire South, dating back to 1909. These arch enemies have gone into battle 57 times, and the Dogs hold a slim margin of 29 wins, 25 defeats, and 3 ties.

Bulldogs Buck Cowpokes for GSC Title

Bulldog's defense reacts quickly to an end sweep by McNeese.

Southwestern's rock-ribbed defense came to life in the second half and sparked the Ragin' Cajuns to the Gulf States Conference championship on the basis of a 14-7 decision over the McNeese Cowboys before a crowd of 11,500.

The Bulldogs vaulted into a deadlock with McNeese for the crown with a 4-1 mark. It marked the end of an uphill struggle for the Cajuns, since they lost their first conference game of the season and then battled back to win four straight and take the title.

Southwestern now owns a brilliant 7-2 record. This marks the most wins for a Bulldog team since 1938, when they compiled an 8-2-1 mark. This is the second time that Southwestern has tied for the Gulf States Conference.

This marked the climax of a five-year rebuilding program for Faulkinberry with the fine 7-2 mark.

Little Bill Bayard, 160-pounds of dynamite from New Iberia, was the offensive leader for the Cajuns, as he tossed a 41-yard strike to Kent Finely to even the game in the third period. He then sparked the Cajuns in the drive for the winning touchdown.

Stirring Rally Falls Short for USL's Ragin' Cajuns

A blistering Southwestern rally in the second half fell two points short, but the Ragin' Cajuns proved their championship qualities for the tenth time this season despite the 27-25 loss to Chattanooga.

It marked the end of a brilliant season for the Bulldogs—the best in the last 27 years for the Southwestern eleven. The Bulldogs claimed the co-championship in the Gulf States Conference and rolled up the best season record in the conference.

It climaxed a 7-3 season for Faulkinberry and his Cajuns, and this year has to go down as one of the greatest in the history of the university. The murderous schedule definitely took its toll on the Cajuns, but they fought back like champions, claimed the GSC title and earned the respect of the entire state with their courageous play.

The Cajuns missed a tie with Chattanooga by one finger-tip and, as it turned out, the Bulldogs' mistakes cost them the game. No one can blame the Cajuns for mistakes, as this was their third game in 12 days, and the Bulldogs went out against Chattanooga with flying colors.

Gerald Landry wound up the big man for the Bulldogs, as he rolled up 72 yards in 12 carries and caught five passes for 55 yards. O'Neal Weber shook off a bad first half and came back to complete 11 of 19 passes for 117 yards and two touchdowns.

The Bulldogs offense rolled up 300 yards, 222 through the air, while the Moccasins floundered under the relentless Southwestern attack and had to hang on for dear life in the second half.

This overflow crowd was only one of many, which viewed the Ragin' Cajuns in action.

Basketball

Cajuns Scalp Indians for GSC Title

For the first time in USL's basketball history, USL became the sole owner of the Gulf States Conference championship.

Southwestern demolished defending champion Northeast 95-76 in Monroe in the last game of the season to take the first undisputed cage title.

With a spirited band of some 200 Southwestern students spurring the Canines on with music, cheering and a trusty air horn, the Bulldogs almost ran Northeast off the floor. Northeast officials couldn't remember the last time that an Indian team had been so severely beaten.

Coached by Beryl Shipley, USL wound up with a 10-2 league record and 17-7 over-all. For Shipley, the 1966 season marked the end of his ninth regular season at USL. The lowest the Canines have finished in the GSC under Shipley was fourth in 1965 and then USL went on to the NAIA tourney. Shipley has a 147-93 career won-lost record. This season marks the high point in his career as he and coach Tom Cox have done a magnificent job in bringing a green team to the championship.

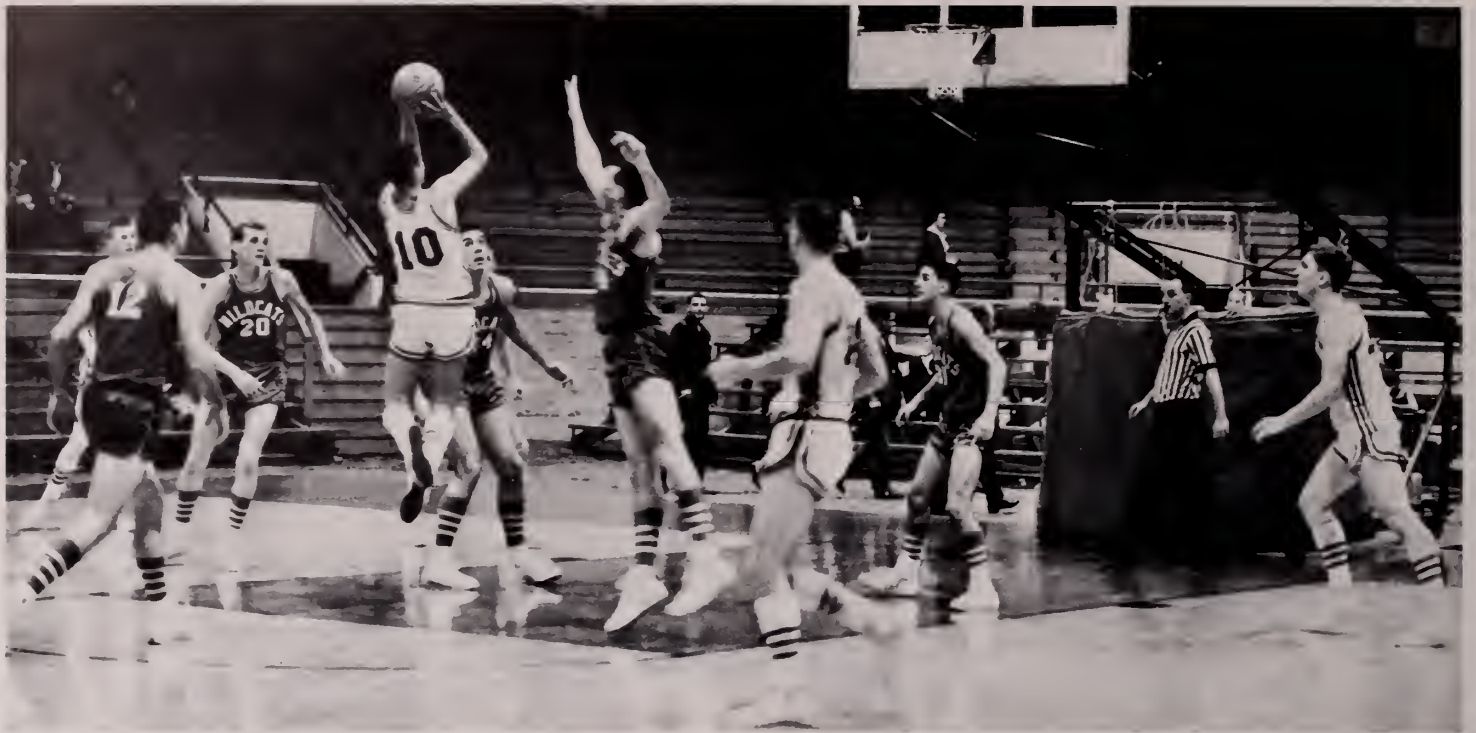

Throughout the season, USL fans were impressed by the remarkable team efforts. All players were heroes, a team of compatibles; where one failed, another was there to pick up the effort. The effort was a success; the Ragin' Cajuns brought another GSC title to their Alma Mater.

A small, but rugged group of long-winded runners led the cross-country team to one of its most successful seasons in the sport's history. Autumn 1965 saw the Bulldog Cross-Country student coach Malcolm Robinson field what developed into a second place berth in the Gulf States Conference. This record marked Southwestern's best showing since 1961 when the Bulldogs also placed second.

The four returning lettermen, Steve Massie, Bill Sirmon, Howard Trahan, and Mike Smith, made up the nucleus of this season's team, but the efforts of freshmen Mike Maraist and Curtis James did not go by unnoticed.

The harriers traveled from Houston to New Orleans and to all the Gulf States Conference schools and brought back to Southwestern a record for all to applaud.

Gymnasts Compete in National Competition

Competing in eight championship meets in 1965, three USL gymnasts—Al Fransen, Mike Arton, and Jim Anderson—took top individual honors.

The USL Gymnastic team was unable to make a strong showing in team strength in 1965, but is expected to “shine” in 1966. An injury in the middle of the season put Fransen on the side line for the rest of the year.

Anderson, one of the nation’s top collegiate trampolinists, won the Mid-South Collegiate trampoline championship. He placed 6th in the NAIA championships held in Hays, Kansas, and was 3rd in the National AAU Championships in Cleveland, Ohio. In addition, he represented the USA last summer doing exhibitions in Europe.

In the spring of 1966, fans will get to see a world competition come to USL in the form of the 3rd World Trampoline Championships, under the direction of USL Gymnastic Coach Jeff Hennessy. Hennessy is also a member of the US Olympic Committee and the NAAU Trampoline Chairman. USL will serve as host to 14 countries entered in the event.

Second-baseman Gene Brackin goes down for another one.

Baseball Team Ends Season With 14-14 Record

Led by GSC-Catcher Dwight Caillouet, the 1965 Bulldog baseball team compiled a 14-14 game record, and a Gulf States Conference record of 10-10.

Harry Stelly cropped team pitching honors by having the most wins, best earned run average, most innings pitched, most complete games, and most strikeouts.

The Ragin' Cajuns finished in fourth spot in the GSC. Top honors went to Southeastern Louisiana College. Northwestern State College and Northeast Louisiana State College placed second and third respectively.

Outstanding players for USL were Leslie O'Neal, Dwight Caillouet, Leonard Kleinpeter, Gene Brackin, Harry Stelly, and Jimmy Lyles. The 1965 season marked the growth of the USL baseball team and what may lead to a future GSC championship. With good luck and hard work, the Ragin' Cajuns should be able to produce a solid, well-organized ball club, one which has the potential for a fine 1966 season.

Weightlifters Are National Champions

Out of the cities of New Orleans, Baton Rouge, Lafayette; the towns of Jennings, Abbeville; and mostly from the southern swamp land along the Mississippi River come some of the most promising young lifters in the nation. They all band together at the University of Southwestern Louisiana to wage war on the law of gravity and anyone who thinks they can do it better.

Under the watchful eye of USL's Athletic Director, "Whitey" Urban, the weightlifters have brought back enough trophy material from their campaigns to build a small battleship. The record books bear witness to the fact that it is an unusual occasion, when USL does not win team honors at the Olympic lifting contests.

USL is especially proud of its 181 lb. lifter, Alvin Chutz. He has won more first places than anyone presently on the team. The 198 lb. class is filled with three strong lifters, Charles Jenkins, George Weatherford, and Pat Stewart.

Mike Williams, one of USL's 148 lb. lifters, has been selected to represent the USA at the National Weightlifting Tournament in Mexico. Other lifters from USL, Jim Reinhart, Weldon Major, Bill Sarver, Pat Stewart, Alvin Chutz, and Joe Murry, are first team alternates.

Depth and strength are just too much to overcome for those who lift against the USL team. As defending National Collegiate Weightlifting Champions with all but one man from last year's team returning, the lifters have high hopes of keeping the national title at USL.

Under the direction of Dr. Louis Bowers, coach, the USL wrestling club began its first year of intercollegiate competition in 1965. The Ragin' Cajuns showed their opponents that they had determination and potential, but still lost two decisions to the Letourneau College wrestling team and lost a third dual meet to the Fort Polk wrestling team.

The wrestlers steadily improved throughout the season and came up with a third place finish in the Southern AAU Wrestling Tournament.

With all team members returning, the club has the University of Texas, Texas A&M, and LSU scheduled for competition during the 1966 season.

Netters Capture No. 2 Spot

USL's 1965 tennis team cropped the second place spot in the 1965 GSC race. This was accomplished mainly by the trio from Jeanerette, La.—Steve Allain, Dennis Aucoin and Ronald LeBlanc. Steve Allain won No. 5 singles and Captain Dennis Aucoin and Ronald LeBlanc won No. 2 doubles. John Hebert, Houma, won No. 4 singles.

The 1966 season proves to be a very interesting one for the Bulldogs. With 10 matches scheduled, the netters will have to rely heavily on upcoming freshmen like Bev Hauffman from Texas and Frank Mueller from Florida.

Under the direction of Coach Robert Boudreaux, the Bulldogs promise to provide tennis fans with some very exciting action during the 1966 season.

Trackmen Race to No. 1 Spot

1965 proved to be a very successful year for USL's track team. Not only did the team outscore all GSC contenders for the GSC title, but USL track coach, Bob Cole was named "GSC Track Coach-of-the-Year." Not since the year 1950 has Southwestern rated so high in track competition.

The victory was not an easy one for the Bulldogs. Northeast State College, winner of the team title for the past three years, was right behind USL all the way. Final tallies found USL with a team score of 97 to 83 for Northeast.

With 10 track meets scheduled in the 1965 season, USL was well prepared to take on all contenders. The Ragin' Cajuns wound up the season with a 5-5 record.

USL trackmen rewrote the record books for many events. Al Nastasi set a new school record of 20.7 in the 220-yard dash. Bobby Domingues, USL's outstanding hurdler, set a record of 37.7 in the 330 intermediate hurdles and a 55.4 record in the 440 yard hurdles. Terry Segura vaulted to 14-7 to set another record. Bill Sirmon led the 880-yard run with a time of 1:52.0. Ed Domingues posted a time of 48.1 in the 440-yard dash.

The relay men, Al Nastasi, Don Credeur, Ed Domingues, and Billy Broussard, accounted for a time of 41.2 to set a new 440 relay record. Bill Sirmon, Jim Barrilleaux, Don Credeur, and Ed Domingues composed the mile relay quartet and set a new school record of 3:13.1. Al Nastasi also set the 100-yard dash record of 9.6.

One of the biggest events came early in April, only two months after the season had started. USL scored a total of 74 points in the Southwestern Relays. They were second only to Rice University, who outscored them by 12½ points.

Other fine trackmen such as Malcolm Robinson, Charles Chapman, Richard Graves, James Bohata, Craig Mays, and Louis Lenfant turned in fine showings for the Bulldogs.

It was not until May 8 that USL won the Gulf States Conference championship by outscoring Northeast. Final team scoring found USL with 97 points, Northeast with 83, Northwestern with 32, Southeastern with 27, McNeese State with 25, and Louisiana Tech with 21.

Keglers Maintain National Standing

With three years of national competition, the USL Bowling team has continuously maintained a national rating. In 1965 the USL team placed third in the National Association of Intercollegiate Athletics tournament held in Kansas City, Missouri. Previous records show that USL has also been a second place winner in 1964 and national champions in 1963.

USL can boast of its fine keglers, which include such standouts as Jimmy Comeaux and A. J. Berkeley. Senior Comeaux is one of the original members of the national champ team. A. J. Berkeley, a junior from New Orleans, has shot an average of 205 for 12 games in national competition. Other bowlers, such as Barrie Wilson, Richard Fourdriat, and Jim Kendrick, complete the USL team.

Coached by N. R. Duff of the Lafayette Bowling Lanes, the team plans to bowl 42 games in the 1966 season. The team will also participate in the NAIA national tournament this year to be held in Kansas City.

Since bowling is not a GSC sport, several Louisiana colleges have banded together to form the College League. Composed of teams from Louisiana College, Louisiana State University, Northeast State College, and USL, the bowlers seek to promote and encourage participation in one of America's fastest growing sports.

Traveling from Kansas City to College Station, Texas, and throughout Louisiana, the USL Bowlers have brought fame and national recognition to Southwestern.

Intellectual Life

**Acting President
Dr. Clyde L. Rougeou**

**Academic Vice President
Dr. Ray P. Authement**

Dr. Joel L. Fletcher

President of the University

As it draws near to the close of his 46th year at the University of Southwestern Louisiana, and his 26th year as its president, "L'Acadien" salutes Dr. Joel L. Fletcher for his dedication to education, for his service to the youth of Louisiana, for his leadership and for his vision.

Through his efforts Southwestern Louisiana Institute reached university status, attained a faculty of top quality and gained a reputation for academic excellence. His projected plans for Southwestern will enable her to achieve even greater goals in the future.

Many honors, national and international, have been conferred upon President Fletcher as a distinguished

educator and leader. "L'Acadien" honors him also, as a "friend" of the youth of Louisiana. President Fletcher's chief concern through all these years has been, is, and always will be . . . "that the best education possible be provided the youth of this state and that no worthy student be denied a college education."

In this final year of Dr. Fletcher's outstanding career at the helm of the University of Southwestern Louisiana, and of Mrs. Fletcher's gracious service as a most charming First Lady, "L'Acadien" is proud to acknowledge their immeasurable contribution to Louisiana.

Acting President

Dr. Clyde L. Rougeou, a dedicated teacher and administrator, was named president-elect of the University of Southwestern Louisiana in the fall of 1965 and became acting president on January 1, 1966. He will assume the presidency on July 1 and thus become USL's fourth president.

His leadership and dedication to USL are to be found in many of the university's achievements. Dr. Rougeou joined the USL faculty in 1937 as an instructor. He rose in rank to professor of dairy husbandry and head of the Department of Animal Husbandry. He was vice president of the USL Education Center at New Iberia just prior to his appointment as president-elect.

Dr. Rougeou earned his B. S. from USL; his M. S. from Texas A & M; and his Ph. D. from the University of Minnesota, where he held a teaching fellowship.

His service and leadership have won him recognition on a local, state, and national level. His most recent honor was being named "1965 Man of the Year" by "Progressive Farmer" for his contribution to Louisiana Agriculture. Dr. Rougeou holds membership in Phi Kappa Phi, national honor society, and a score of other organizations.

Dr. Clyde L. Rougeou

As president, Dr. Rougeou will continue to encourage academic excellence among USL students and maintain and expand its top quality faculty. He will also bend every effort towards developing USL's physical plant so that the University may achieve her fullest potential.

Academic Vice President

1966 marks Academic Vice President Joseph A. Riehl's 37th year at the University of Southwestern Louisiana as a student, faculty member and administrator. Entering USL for the first time as a freshman in 1923, he graduated with the B. A. degree in 1926 and returned in 1933 as a teacher of history, following his graduation with the M. A. degree from Georgetown University. He also pursued graduate study in Georgetown University Foreign Service School.

His post as professor of history was relinquished to serve his president in various administrative capacities. He shared in the responsibilities of the rapid growth of USL and dedicated his talents and abilities to helping to put his president's program into effect. Academic Vice President Riehl found himself serving as Dean of Men, Registrar, Naval V-12 coordinator, Dean of Administration, Dean of the College of Liberal Arts and Dean of the University prior to attaining his present status.

During his distinguished career at USL, which, at his request, comes to a close on July 1, Academic Vice President Riehl garnered many honors in educational, civic and religious circles.

Dean and Mrs. Riehl enjoy crawfish at the Blue Key Crawfish Boil.

Phi Kappa Theta social fraternity honors Dean Riehl and family.

Joseph A. Riehl

Academic Vice President

Dr. Ray Paul Authement assumed the post of academic vice president of the University of Southwestern Louisiana on February 1, 1966, when Academic Vice President Joseph A. Riehl went on leave prior to his early retirement, which he requested to become effective on July 1.

Before joining the USL faculty in 1957 as a professor of mathematics, Dr. Authement was on the faculty at McNeese State College as an associate professor of mathematics. During the 1961-62 academic year he was a visiting professor at the University of North Carolina.

Dr. Authement has served extensively on local, state and national committees on education. He has been an associate director of two National Science Foundation Institutes as well as a consultant for the Minnesota Mathematics and Science Project in 1964-65. The author of two books and numerous articles in the field of Mathematics, Dr. Authement has also lectured on Mathematics in this country and Canada. Last year he was named a "University of Southwestern Louisiana Foundation Honors Professor" by a special committee of USL professors.

Academic Vice President Authement holds the B. S. in Mathematics from USL and the M. S. and Ph. D. in Mathematics from Louisiana State University. He is a member of Phi Kappa Phi, national honor society; Kappa Mu Epsilon, mathematics honor society; Sigma Phi Sigma, Physics honor society; and Eliza Mitchell (scientific society) of the University of North Carolina.

Who's Who Among Students in American Universities and Colleges

Recognition by WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES means that these students have officially been recommended by the University of Southwestern Louisiana and accepted by the organization. Students at U.S.L. are nominated by a faculty—student committee appointed by the Student Council. Considered in the nominations are the student's scholarship, leadership and cooperation in educational and extracurricular activities, his general citizenship, and his promise of future usefulness.

Honoraries

Phi Kappa Phi

Installed on the USL campus on April 10, 1951, the Honor Society of Phi Kappa Phi stands for a unity and democracy of learning. Members plead for a larger charity and deeper love toward all education in all phases.

There is no honor society whose standards are higher

than those of Phi Kappa Phi. It differs from other honor societies chiefly in the fact that a student in any department of study in the institution, where a chapter exists, may be elected, if he is eligible. Membership is open to members of other honor societies and fraternities.

Phi Kappa Phi Officers—Dr. John C. McCampbell, president; Marie Mamalakis, secretary-treasurer; Pearl M. Segura, journal correspondent; and Gerald A. Zernott, vice-president.

In recognition of their high achievement, many new members are added to Phi Kappa Phi each year. Newly initiated members are shown here with Dr. Joe G. Taylor, left, McNeese State College professor of History, who was guest speaker at one of the meetings. Members shown are Brenda Baker Hoppe, Eugene Sonnier, and Sharon Lee.

Alpha Lambda Delta

Alpha Lambda Delta, an honorary women's organization, promotes intelligent living and high standards of learning by encouraging superior attainment among freshman women. It seeks to awaken in the freshman woman a realization that each individual is solely responsible for her own achievement, which with earnest endeavor she may build each year.

Those women students registered for a course leading

to a bachelor's degree with at least fifteen hours and a grade average of at least 3.5 are eligible for membership.

Upperclassmen who maintained a 3.5 average during their years at the University of Southwestern Louisiana were invited into membership when the chapter was installed.

Alpha Phi Omega

Leadership, friendship, and service,—the principles on which Alpha Phi Omega were founded, are promoted on the USL campus by members of the Beta Phi Chapter. Founded here at Southwestern in 1939, members strive to assemble college men in the fellowship of the Scout Oath and Law.

The requirements for membership are a desire to render service and to develop leadership and scholarship.

A Phi O's have assisted with fall registration, operated concession stands for various USL and Lafayette functions, manned information stations during Homecoming, printed and distributed over 8,000 wallet size cards bearing the USL fight song and alma mater and set up the public address system for cheerleaders' use at home football games.

Members also assist with Scout training courses, camporees, and, when called upon, with individual Scout units.

A Phi O's are always ready to serve.

Alpha Psi Omega

Alpha Psi Omega members present "The Second Shepherd's Play."

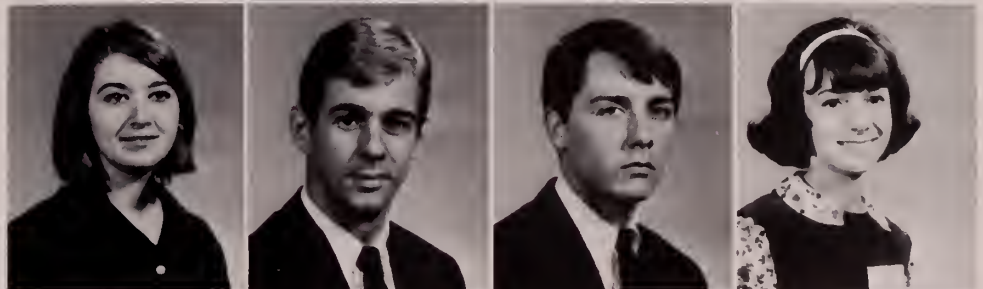

Members of Alpha Psi Omega are given an excellent opportunity to express themselves in one of the many plays presented each year. To be a member of this National Honorary Dramatics Fraternity, a student must have an overall average of 2.0, must have worked with five productions, and accumulated 50 points for jobs done in connection with plays on campus. A specific number of points is given for each job done for technical and dramatic aspects of the plays.

The fraternity helps to publicize campus productions and recruits technical workers for the plays. It also assists in numerous ways with major production in Lafayette and on campus during the year.

Alpha Zeta

Aggie Day's annual Tug-of-War

Alpha Zeta's promotion of scholarship, character, and leadership, with unity of action, marked a successful year as the Louisiana Beta Chapter developed a personal data sheet for seniors in the College of Agriculture. This year saw the fraternity's first participation in homecoming decoration on campus.

To qualify for membership in this honorary agricultural fraternity, a student must have completed at least one and one-half academic years of his four-year college course, his overall average must place him in the upper two-fifths of his class, and the candidate must receive not less than 96% of the vote of the active membership.

Angel Flight

The girls in blue, better known as the Angel Flight, is only one of the many national organizations on campus. The purpose of the flight is to foster good relations between the cadets and the Angels.

A full squadron of girls is selected by a board consisting of the Deans of Women, Air Force sponsors of the corps, representatives of the ROTC cadets, and the former Angels.

The squadron marches in several parades and has several projects each year. One of the major ones is the

Bulldog Blackouts, a talent show held here on campus.

The flight is governed by the Squadron Officers. Area C-2, consisting of eight squadrons, is headquartered here at USL.

Blue Key

Fun and frolic, along with study and service, keep Blue Key members always active. Since its founding in April of 1932, the USL Chapter of Blue Key National Honor Fraternity has produced a group of ambitious and enthusiastic young men always ready to serve.

The fraternity publishes the *Blue Key Student-Faculty Telephone Directory*, in addition to sponsoring the annual

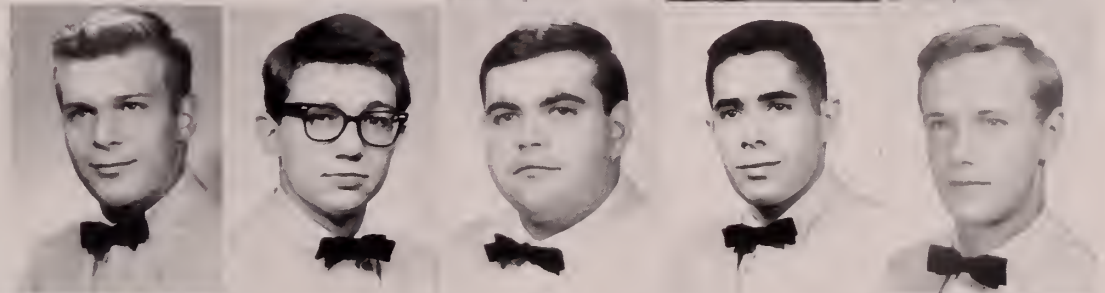

crawfish boil. Members participate in the sweetheart tea-dance in order to select a sweetheart and award the USL-NSC football cup each year.

Blue Key National Honor Fraternity was founded in 1924 by Major B. C. Riley at the University of Florida. In accordance with the organization's purpose, members are selected for leadership, scholarship, and service.

Circle K

Since its founding at USL in March of 1957, the members of Circle K have never failed to place in international competition for the amount and quality of services rendered to the campus and community. The members of Circle K are banded together voluntarily to render service to the campus and community on 572 campuses in the United States and Canada, making it the largest international organization on college campuses.

The projects undertaken by Circle K at USL include:

working with registration, aiding in the United Givers Fund Drive, aiding in the homecoming activities, working on the Toys for Tots Campaign, ushering at basketball games, working at the Girls' Scout Camp, sponsoring an Easter Egg Hunt for the children in Vet Village, aiding in the Southwestern Relays, sponsoring the student-faculty basketball game and the presentation of Kangaroo Kourt for freshmen.

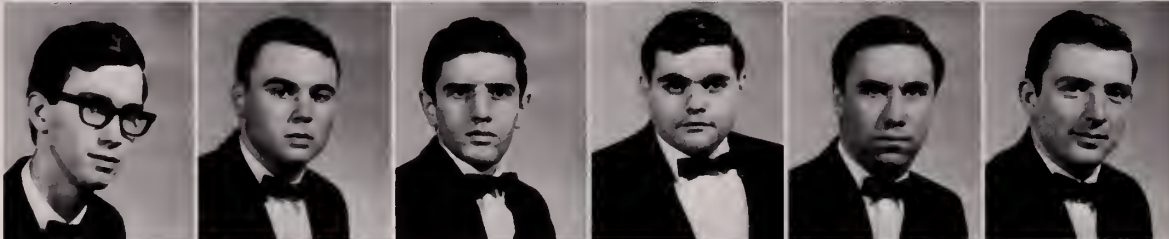

Upon viewing the amount and quality of work done this year for the campus and the community, it was no surprise when the USL chapter was chosen the best national chapter. There is a member on the board of trustees, a district governor and a district lieutenant governor.

Eta Kappa Nu

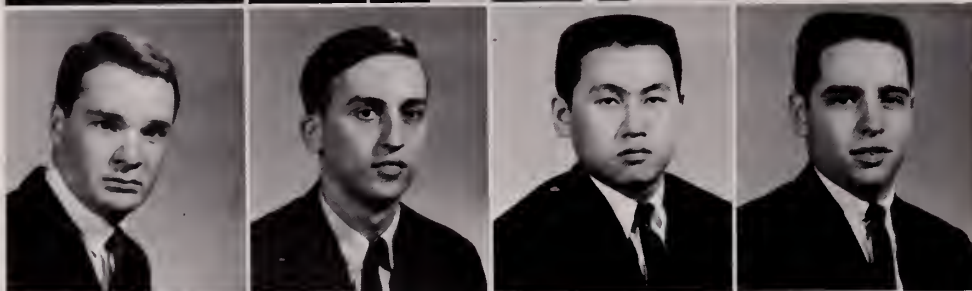

To assist its members throughout their lives in becoming better men in the profession of electrical engineering is the primary goal of Eta Kappa Nu.

Members are chosen because of their outstanding scholastic ability and other qualities, which indicate that they will be successful in their profession of electrical engineering.

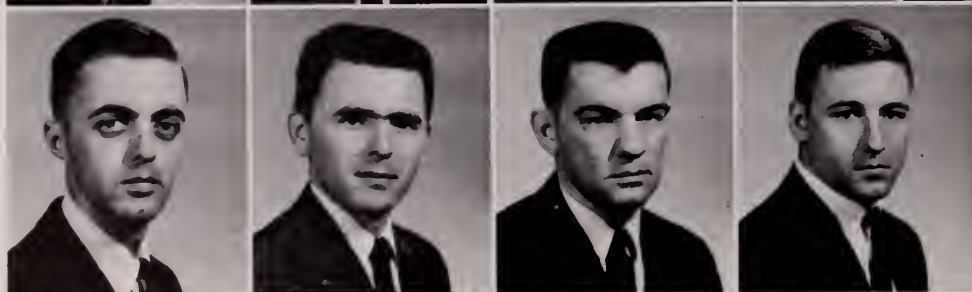

The USL chapter stresses high scholarship, character, and interest in the field. It participates in demonstrations, electrical exhibits and fosters acquaintances among faculty and students. Gamma Beta Phi

New to USL and the nation, Gamma Beta Phi seeks to promote the ideals of service, scholarship, and character among college students. It is an education-service organization and undertakes to carry out many service programs, two of which are (1) to see to it that no member is deficient in his college studies and (2) to assist qualified students in high school to continue their edu-

cation through college.

Gamma Beta Phi was organized nationally in April of 1964 and came to the Southwestern campus in May of 1965. It is the only service-scholastic organization for men and women from all fields of study. The only scholastic requirement for membership is that the student maintain a 3.0 overall average.

Kappa Delta Pi

Kappa Delta Pi, an honor society in education encourages high professional, intellectual, and personal standards and recognizes outstanding contributions to education. To this end it shall invite to membership such persons as exhibit commendable personal qualities, worthy educational ideals, and sound scholarship. It endeavors to maintain a high degree of professional growth by honoring achievement of educational work.

Delta Iota chapter, here at USL was installed on May 8, 1936. Kappa Delta Pi was founded at the University of

Illinois on March 8, 1911.

Several members of the organization represented USL at KDP convention held in Houston, Texas in February. In addition to their participation at the national and regional level, Kappadelpians are also active at the local level. Kappa Delta Pi co-sponsors Education Day, provides intellectual stimulation in the field of education by arranging seven programmed meetings and awards to an outstanding student the Maxim Doucet-Kappa Delta Pi Scholarship.

Honor Society

of the College of Commerce

Organized in 1960 for the purpose of encouraging students to foster integrity in the conduct of business operations, the Honor Society of the College of Commerce holds a prominent position at USL.

Members are selected from the students in the College of Commerce who are in the upper 20% of the junior and senior classes, who are full-time students with a minimum of 2.8 overall average, and who have completed one semester in the college. Qualified students

are elected to membership by a majority vote of the active members.

Major activities of the society are its presentation of an award at the annual spring banquet of the college to the junior in the college of Commerce with the highest overall average and its presentation of incoming members. Continuing members are recognized at the annual fall banquet of the Honor Society.

In May of 1951, the Southwestern chapter of Kappa Mu Epsilon was formed. Membership in the Beta Chapter here at USL is open to high school teachers, University students and faculty members who have fulfilled the membership requirements and who have demonstrated outstanding proficiency in mathematics.

Kappa Mu Epsilon provides intellectual stimulation in the field of mathematics by arranging lectures on topics not usually covered in course material. Kappa Mu Epsilon also sends two of its members to read papers at the national convention.

Phi Mu Alpha Sinfonia

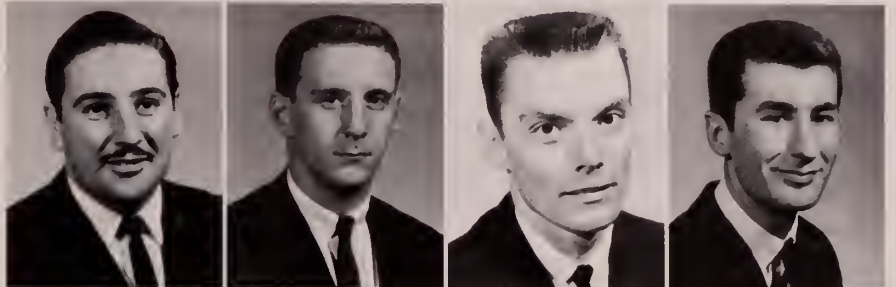

Members of Phi Mu Alpha Sinfonia, National Honorary Music Fraternity, seek to advance the cause of music in America, to foster the mutual welfare and brotherhood of music students, to develop the truest fraternal spirit among its members, and to encourage loyalty to the alma mater.

The Delta Epsilon chapter, founded on the USL campus in 1948, has always been active in the musical life

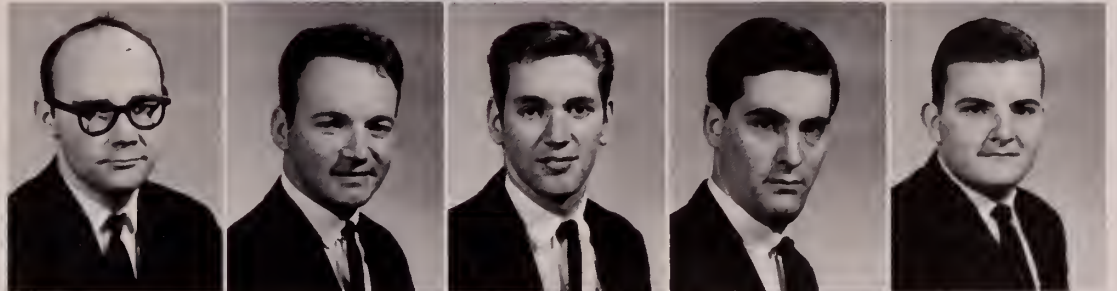

of both the school and the community. This year the Brass Choir furnished Christmas music for area churches, in addition to the school Carol Night. Also, at Christmas time, a vocal and instrumental group performed at the Immaculata Seminary.

An annual fund-raising variety show finances the James C. Cherry (1944-1965) Memorial Scholarship, which was established to assist a worthy music student.

Pi Gamma Mu

Membership of the USL Pi Gamma Mu, national honorary fraternity, is composed of outstanding students of the social sciences. Its purpose is to promote understanding and learning among those who are engaged in the study of the various disciplines.

In August of 1965, Pi Gamma Mu began a rigorous program for the 1965-1966 school year by engaging a number of noted speakers to lecture on the problems fac-

ing the United States as posed by the Asian power and the emerging African countries.

Invitation for membership is extended to those who have a 3.0 or better average in the social sciences. Pi Gamma Mu has initiated many new members and has re-established itself as one of the top honorary fraternities at USL.

Pi Kappa Delta

Pi Kappa Delta, the largest honorary forensic fraternity in the United States, was founded at Southwestern on May 2, 1930. The Louisiana Gamma Chapter, located here at USL, is under the sponsorship of Roy D. Murphy, head of the Speech Department.

To be eligible for membership, a student must take part in forensic activities, including debate and oratory. It aims at the promotion of scholarship, particularly in the field of forensic speaking in American colleges and universities.

Pi Tau Sigma

Organized to foster the high ideals of mechanical engineering students, Pi Tau Sigma was founded in 1915 at the University of Illinois. Since then the membership has grown to over seventy-seven active chapters, Sigma Alpha Chapter at USL being the seventy-fourth.

Members stimulate interest in departmental activities and promote and develop in students of mechanical engineering the attributes necessary for effective leadership.

Psi Chi

An organization composed primarily of Psychology majors, Psi Chi Honorary Fraternity was established in December, 1959.

Members seek to advance the science of psychology and to stimulate and maintain scholarship of the indi-

vidual members in all academic fields, especially psychology.

To be eligible for membership, a student must have a minimum of 12 credit hours of psychology with a 2.5 average.

Sigma Alpha Eta

Sigma Alpha Eta is a national honorary fraternity for students in the curriculum of speech pathology and audiology. Membership is open to those students whose interests in speech and hearing handicapped individuals have directed them to seek professional training in the field.

Rho chapter, established at USL in the late 1940's, was the first Sigma Alpha Eta chapter to be established

in Louisiana.

The organization provides a place for those students who have just begun to show an interest in the profession and who wish to learn more about it. The Society is designed in such a way that it may include the "entire clinic family" in extra-curricular professional and social activities.

Sigma Alpha Iota

Founded at the University School of Music, Ann Arbor, Michigan, on June 12, 1903, Sigma Alpha Iota seeks to promote music and the musical profession through the attainment of higher standards of scholarship and performance.

Iota Omicron Chapter was established at USL on December 4, 1941, and is classified as a 'professional fraternity' for women in the field of music.

The local chapter renders service to the Department of Music by ushering for concerts and publicizing cultural events. Among the completed projects for this fall are participation in the USL Carol Night and a lecture concerning the translation of music into braille. In the Spring the main chapter annually presents an American Music Program and sells Community Concert tickets.

Sigma Delta Pi

One of the major goals of the Alpha Rho Chapter of Sigma Delta Pi is to encourage the study of Spanish and Spanish-American literature. This national honorary Spanish society is composed of more than 100 chapters in the United States.

Sigma Delta Pi, installed at USL in 1940, serves as

a sponsor to the Spanish Club. To be eligible for membership, one must have completed at least three semester hours of Spanish literature, have a 3.0 average in Spanish and a general average of 2.7.

Sigma Pi Sigma

Chartered on May 9, 1960, the USL chapter of Sigma Pi Sigma strives to bring those particularly interested in physics into closer association for their mutual benefit.

Sigma Pi Sigma, the only physics honor society, was founded as a local honor organization at Davidson Col-

lege, Davidson, North Carolina, on December 11, 1921. The society today is truly national in scope, with more than 108 active chapters distributed among the leading colleges and universities of the nation.

Sigma Tau Delta

"Sincerity, Truth and Design," key words in Sigma Tau Delta's motto, express the honorary English fraternity's purpose: to express life in terms of truth and beauty and to promote knowledge of literary masterpieces and ease in written expression.

Sigma Tau Delta, an outgrowth of the English club at South Dakota Wesleyan University, was organized na-

tionally in 1924. Membership is based on scholarship and is open to all students.

On the USL campus, publication of *Exile*, campus literary magazine, is the main project of the chapter. Members also sponsored informal discussions of plays, novels and famous authors for the benefit of the USL students.

Sigma Theta

Sigma Theta is a local fraternity, consisting of juniors and seniors enrolled in the School of Home Economics. To be eligible for membership a student must have a cumulative average of 3.0 and an average of 3.2 in home economics courses. Students must also be considered worthy of membership by a 2/3 vote of the members.

Activities for the year include the presentation of the

Sigma Theta Freshman Award to the student maintaining the highest average in the freshman class, a banquet honoring this award winner, the presentation of a panel discussion on "Campus Leadership" to the Home Economics freshman orientation classes, and the publication of the *Sigma Theta Newsletter* for home economics alumni.

Tau Beta Pi

Those who have conferred honor upon their Alma Mater by distinguished scholarship and exemplary character as undergraduates in engineering are chosen for membership in Tau Beta Pi.

In 1960, the Louisiana Delta Chapter was founded at USL. Its purpose is to instill in the minds of engineering students high ideals and goals in their chosen

profession. This is attained by the members of the chapter in their programs of aid to new and continuing students in the college of engineering. It also strives to create an atmosphere of harmony and understanding between student and professor by sponsoring twice annually a smoker to which faculty and future members are invited.

Varsity Debate Squad

Each fall and spring, USL is represented at forensic events by the Varsity Debate team. Members are selected not only on the basis of debate ability, but also on their ability to perform in interpretation, oratory, and extemporaneous speaking.

The Southwestern squad has earned recognition as one of the top teams in the South. Varsity debaters, in addition to amassing a commendable number of awards at these tournaments, are expected to maintain a high scholastic average.

Vermilion Honor Society

An honorary organization for junior and senior women, the Vermilion Honor Society, was established in 1933. First called the Freshman Honor Council, and later the Red and White Circle, the name Vermilion Honor Society was officially chosen in 1934.

The purpose of this organization is to recognize junior and senior women students who are outstanding in leadership, scholarship, and religious activities.

To qualify for membership, one must be a second semester junior, 3.2 overall average, active in a religious organization, and in one organization other than a social sorority.

Members sponsor an annual silver tea for the benefit of the Edith Garland Dupre Scholarship Fund. An award for the outstanding senior student is given at the Honors Convocation in the Spring.

College of Education

The University of Southwestern Louisiana, appreciating the significance of its teacher-education program in the fulfillment of the obligation which the University has for the advancement of knowledge and the transmission of our cultural heritage, dedicates all of its applicable resources to the achievement of these objectives:

1. Preparation, at the undergraduate level, of carefully selected teachers who will be liberally educated, thoroughly competent in their subject areas, cognizant of their professional and social responsibilities, well informed as to the demands for guidance, which will be made upon them, and responsive to the moral and aesthetic necessities inherent in their position in society.

2. Recognition and encouragement, throughout the program, of productive scholarship and educational field services, as essential elements in the ideal of a modern university.

The College of Education offers curricula in kindergarten education, in upper and lower elementary education, and in secondary education.

College of Agriculture

The college program in agriculture and home economics has as its purpose that of serving students by contributing to their personal, social, and intellectual development and maturity, and, in so doing, preparing them for family living, homemaking, and farming, in addition to their professions or occupations in the fields of agriculture and home economics.

Additionally, the College of Agriculture has as its purpose that of assisting the student in meeting the needs in the various fields throughout the state, nation and in foreign countries. By contributing to the preparation of students for effective living and service to their fellow-man, the College also prepares the student for his future responsibilities as a worthwhile citizen.

College of Engineering

The major facilities of the College of Engineering are housed in Madison Hall, completed in 1957 at a cost of \$1,500,000. All laboratories containing heavy equipment are located on the first floor. Most of the offices, drafting rooms and classrooms are located on the second floor. The building has a small auditorium and an Engineering Library. There are also adjacent reading rooms and study rooms.

In addition to Madison Hall, the College of Engineering maintains a structure in which the atomic laboratories are located. A third building contains a well equipped machine tool laboratory.

College of Nursing

Recognizing the dignity and worth of all men, the faculty of the College of Nursing believes that present day professional nursing requires the utilization of selected knowledge of the arts and sciences in providing care and concern for the individual, families and society in which they function. This encompasses meeting the sociological, psychological, spiritual, and physiological needs of patients within the framework of the nursing situation.

The Bachelor of Science Degree in Nursing is awarded upon successful completion of the prescribed curriculum, successful completion of comprehensive testing, and upon evidence of physical, emotional and ethical competence, in addition to the general University requirements for a degree.

College of Commerce

From the beginning, a major purpose of the University has been to prepare young men and women for entrance and leadership in the business community. In the first graduating class were several who were graduated from the Department of Commerce. Through the years the department enrolled a sizable proportion of the students and constituted a major division of the school. Recognition of the importance of this division was evidenced by the creation of the College of Commerce in September, 1952.

Graduate School

Dean J. R. Oliver

The Graduate Council establishes policies of the Graduate School, which is administered by the dean. Graduate degrees offered include the Master of Arts with majors in Education and French and Home Economics; Master of Education and Master of Science with majors in Microbiology, Biology, Chemistry, Mathematics, Physics, Chemical Engineering, Civil Engineering, Electrical Engineering, Geology, Mechanical Engineering, Petroleum Engineering, General Science and Mathematics with Computer Science option.

Graduate students are required to choose an advisory committee from the faculty, which is responsible for advising the student on his course of study, approval of thesis topic, recommendation of the application for admission to candidacy, preparation, and grading of the written examination, administration of the oral examination, and approval of the completed thesis. The committee is selected by the students after consultation with the faculty members involved and with the approval of the dean of the Graduate School. Committee members should plan to be present during the semester in which the student expects to complete degree requirements.

University Libraries

In order to better serve our growing University, plans are presently underway to expand the Dupre Library, the main library of the University Library System, from its present size to a total of three floors. The enlarged facilities will provide for 2,000 readers and 500,000 volumes.

The library now features over 6,000 current periodicals, musical scores, recordings, tapes, and micro-films and the equipment for utilization of these aids. The Louisiana Room, an interesting feature of the Dupre Library, houses a collection of material which specializes in Acadiana. The Library also serves as a depository for state and federal documents.

The University is served, in addition to the Dupre Library, by three other libraries. For undergraduate students, the Stephens Library on the second floor of the Stephens Memorial Building offers a collection of 15,000 books. The Engineering Library in Madison Hall has about 18,000 volumes and the Ornamental Horticulture Building houses the Horticulture Library of about 5,000 volumes.

A unique collection of books, most of which were donated by the French government and which relate to France and French culture, is found in the French House.

Miss Agnes Roth

Dean of Women

Duties which are vital and varied are met with patience and assurance by Dean Agnes Roth and Assoc. Dean Mary Olive McPhaul. In general, they are concerned with the overall welfare of women students, particularly those areas of non-academic nature. They supervise such aspects of campus life as women's organizations, and women-sponsored social activities.

Dean Roth, a native of Ste. Genevieve, Missouri, received her B.A. degree from Mississippi State College for Women and her M.A. degree from the University of Alabama. Miss Roth did post graduate work at Washington University in St. Louis, Missouri, and Columbia in New York City.

Dean McPhaul received her A.B. degree from Howard College and her M.A. degree from the University of Alabama. Miss McPhaul is a native of Birmingham, Alabama.

Dean of Women

Miss Mary Olive McPhaul

Associate Dean of Women

E. Glynn Abel

Dean of Men

The Dean of Men's office has displayed a remarkable interest and warmth in all dealings with male students. The patience and personal touch in student contacts have facilitated the performance of the responsible position of Dean of Men.

Dean Abel, a native of Carroll County, Mississippi, received his B.S. degree from the University of Southwestern Louisiana. He received his M.A. degree from Stanford University.

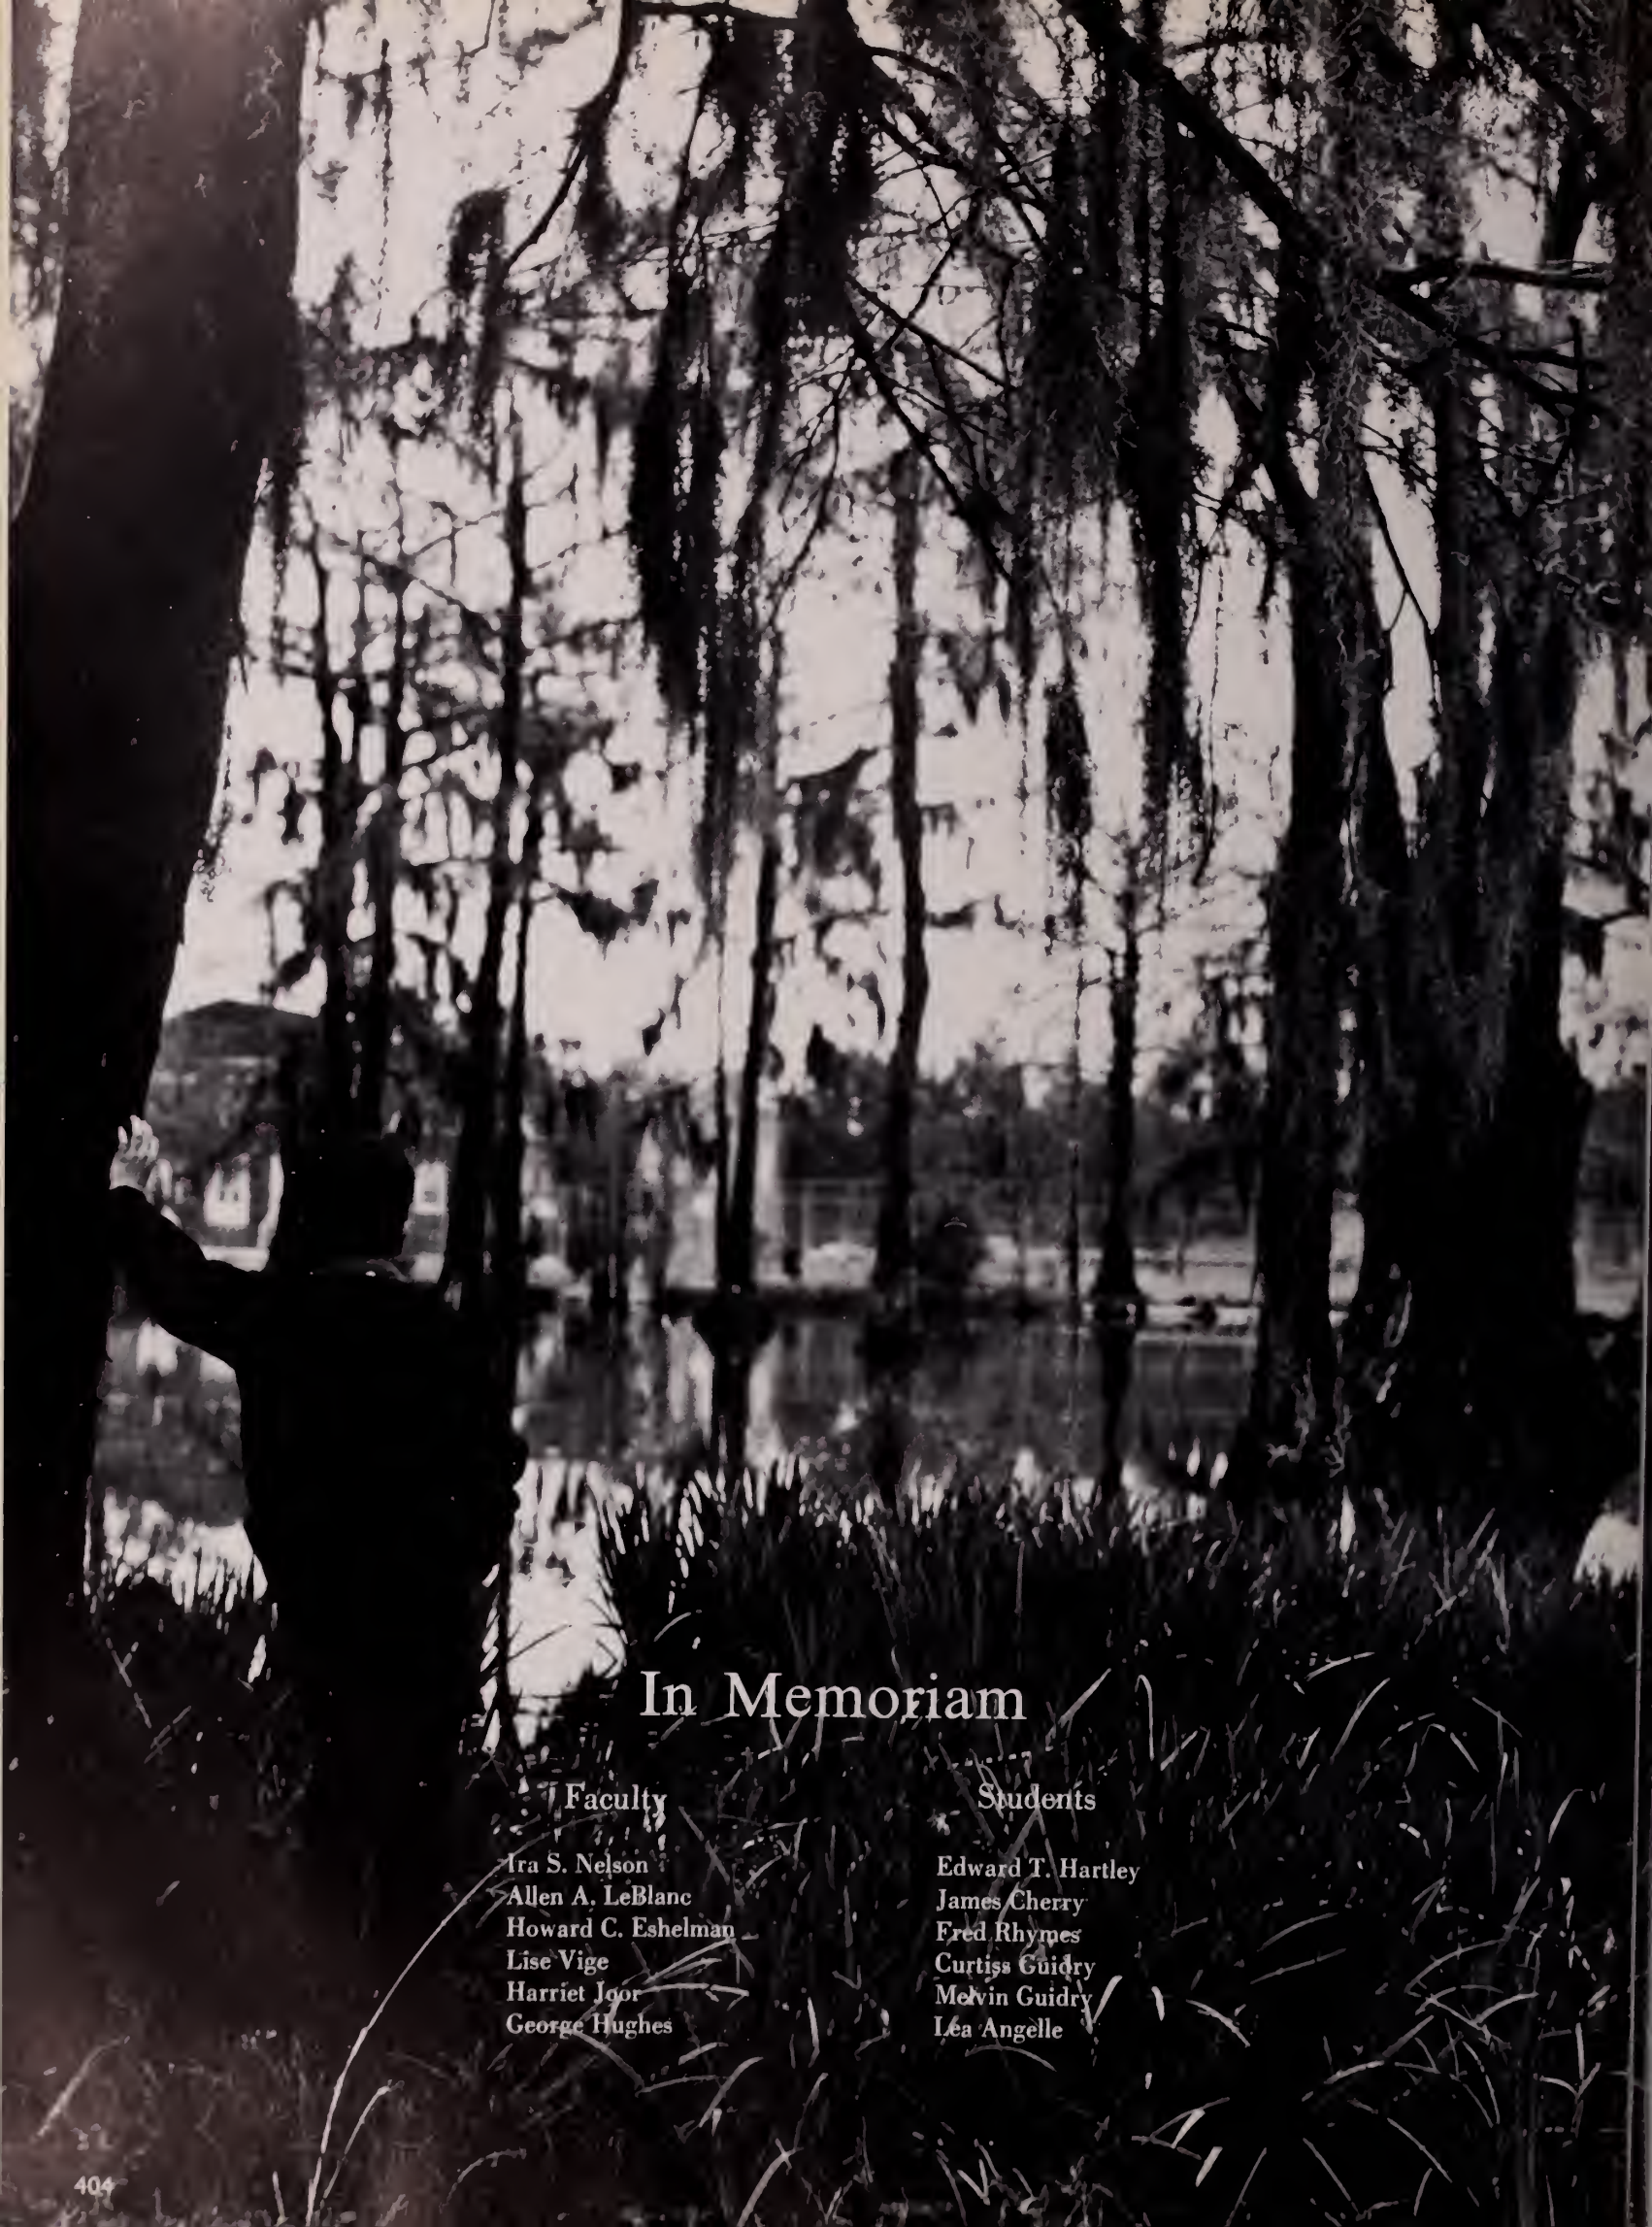

Dean Guillory received a B.S. degree from USL. He received his M.Ed. degree from Stephen F. Austin State College. Dean Guillory is a native of Plaquemine, Louisiana.

—Y—

Another school year has come to an end and another L'ACADIEN is in your hands. In it we have tried to capture in many pictures and many words the spirit of USL.

You, the student, play the lead role in our production. We tried to capture your faces, moods, actions, efforts, and activities through the use of pictures and copy. You were by no means an easy undertaking. But you were patient—you endured our stream of form letters, our photographer, and our problems. During this nine-month period a group of hands, heads, and hearts worked backstage to give their efforts to see that indescribable bit of you become a reality.

After the deluge of many frustrated and frantic cries for pictures, copy, and for mercy—comes the end. With the final deadline met, the curtain comes down on another year at Southwestern, and we anxiously await our critics' comments.
